50. **Clean, Green and Tidy Commission**

The Area Council Manager Presented a report to members in respect of a draft Clean, Green and Tidy specification of requirements with associated costs so that they may consider funding the service from the Area Council Budget allocations 2015/16 and 2016/17.

The report outlined the outcomes of a workshop held on 23rd April between representatives of the local parish councils and ward alliance, elected members and BMBC Neighbourhood Pride officers. Appendix 1 to the report formed the basis of a contract document to be placed on YORtender to invite tenders from the open market to deliver the service.

An allocation of £160,000 from the Area Council budgets will be required to fund the service for an eighteen month period commencing at the project start date, which will be July/August 2015.

RESOLVED:-

(i)   that members note the outcome of the workshop held on 23rd April 2015;

(ii)   that members agree the content of the specification referred to as Appendix 1 of the report with the removal of the sentence referring to the age of a vehicle. It was felt that the vehicle should be in good working order and roadworthy but that the vehicle's age was unimportant;

(iii)   that members agree a total allocation of £160,000 from the Area Council budgets 2015/16 and 2016/17 to fund an eighteen month Clean, Green and Tidy Commission for the Penistone area.

(iv)   that members agree that the contract should be put out to tender as soon as possible with a 30:70 price/quality split ration and that the Service Director, Stronger Safer and Healthier Communities be authorised to agree the final details in consultation with the Chair and Area Council Manager.
