5 June 2009

For the attention of Mr David Stacey

Dear Mr Stacey

Notice of New Premises Licence Application for BOMfest 2009 at Silverwood Scout Camp.

Further to the Parish Council's letter to you dated 16 May 2009; I can advise that the representatives of BOMfest addressed the Parish Council at their meeting on 1 June 2009.

The outcome of that meeting is that subject to the following comments, the Parish Council withdraw their objection to the BOMfest event.

Comment 1 – Car Parking

BOMfest organisers have advised that they have provisionally obtained permission to use the car park of an old warehouse on the Dodworth Business Park from which to run a Park and Ride service to Silverwood. If the organisers can confirm this with you then the Parish Council have no objection since the village of Silkstone should then not be used for parking.

Comment 2 – Finish Time

BOMfest organisers have agreed to a revised finish time of 1am with all amplified music finishing at midnight. If they can confirm this with you then the Parish Council would not object to this finish time.

Should you wish to discuss this further please do not hesitate to contact me.

Yours sincerely

K Canadine -
