Peter Jones has joined the markets sub group. He has approached the local supermarkets to try and get funding for the Christmas market.

The group is still waiting for the collage to respond about attending the fashion market.

The Labour in Wombwell magazine has advertised the markets that are due to happen.

**ACTION-** General Market sub group to help arrange the markets.

## **6. Community Gardens**

The plan for the Community Gardens is to have 18-20 beds, some of which will be raised high enough for disabled access.

It is hoped that the beds will be used to grow vegetables but plants would also be acceptable.

The project has put in a bid for £7350 but there have been concerns about the community involvement, only three beds have been signed up for.

There are concerns about residents involvement in the project, there is to be an event on the 22<sup>nd</sup> to hopefully encourage some more people to sign up.

Bernslai Homes have funded the new road on the understanding that if the project doesn't go ahead they can use the land for other community events.

The Alliance (Alan and Jola abstained) approved the bid for the group on the understanding that a definite decision will be made on the 22<sup>nd</sup> for if they would carry on with the funding and the project.
