Good Morning Mr Hoyle,

Thank you for your email,

Below are a list of conditions we feel necessary to uphold the four licensing objectives and allow your premise to operate within the guidelines of the Licensing Act. If you answer the question set out below, and agree to the new and amended conditions, we would be in a position to withdraw our objection:-

Can you provide any evidence to support your claim that Mr Stockton will have no further involvement in this premise. This could include company records/tenancy agreements etc.

Hi

Responding to the objection of the application of the premises 7 Pitt Street, Barnsley.

After seeking legal advice, I would like to ask you what conditions would you like to put forward?

I did not realise a business was actively open on the company house, this was an old adventure however I have started the process of getting that closed down and removed.

To ease your concerns regarding the previous owner Mr Stockton, we would like to highlight he has nothing to do with my new business and I would be happy to put a condition on the new license to state he would not be involved in any day to day running of my business.

Thank you for your time, I look forward to hearing from you.

Anthony Hoyle

Date:

Licensing Act 2003

Objection to the application for a new premise licence for 7 Pitt Street

On behalf of the Chief Constable of South Yorkshire, an objection is being made in relation to the above application.

Please accept formal objection to the application for a new premise licence on the grounds of the prevention of **crime and disorder & public safety**.

The premise has recently had their licence reviewed due to multiple breaches of the licence, during the appeal process the premise breached further conditions which resulted in the premise licence being reviewed again and subsequently revoked.

Our concerns now extend to this current application, The applicant Mr Anthony Hoyle, has been found to have direct links to the previous licence holder (Mr Ashley Stockton). Mr Hoyle is named as a director of a company alongside Mr Stockton on companies house. He's also been filmed in the Staff area of the premise with Mr Stockton when police attended the premise. It is in our opinion that the applicant still has links to the previous operator, which gives rise to our concerns that Mr Stockton will still be involved in the running of the premise. Therefore this gives us no confidence that the premise will operate in accordance with their licence given the past history of non-compliance.

Furthermore the new application seeks to extend trading with fewer conditions volunteered, to promote the four licencing objectives.

I have no option other than to lodge an objection.

Yours faithfully,

For and on behalf of

Chief Constable, South Yorkshire Police
