

**Email sent to the Licensing Department, BMBC on 29 September 2023 from
N Semper, Director at The Licensing Guys**

Dear Kieran,

As you are aware, we are scheduled to appear before the Licensing Sub Committee at 10:00hrs on Wednesday 4th October with respect to the Kosta's Place Hearing.

You may also be aware that the premises have been gathering signatures from local residents who support the prospect of LNR being provided from these premises until 04:00hrs.

Martin COOPER, Licensing Enforcement, has asked for early sight of the pages of this petition so that he can rightly inspect on the accuracy of the signatories. No problem, please find the first seven pages attached.

If you can place these sheets on the bundle before the Licensing Sub Committee, then I would be obliged. Original copies will be provided on the day, and may indeed run to further pages as people continue to sign.

Many thanks and have a great weekend.

**Kind Regards
Nick SEMPER
