

**Barnsley Metropolitan Borough Council's (BMB) Corporate Parenting Panel
Annual Report 2016-17 – Cover Report**

1.0 Introduction and Background

- 1.1 The attached report 'Item 5b' is an annual update of the work of the Council's Corporate Parenting Panel (CPP). The role of the CPP is to ensure that BMB, through its elected members, officers, carers and partner agencies fulfils its corporate parenting role. This means providing commitment and leadership to 'being there' for children in care and care leavers as well as monitoring performance in terms of improving outcomes.
- 1.2 ALL Elected Members have a responsibility as Corporate Parents to ensure that all children at the edge of care, in care or who have left care are given opportunity to reach the best possible outcome they can. They should act as 'pushy parents', with the litmus test being "Would this be good enough for my child or me if I was a child?"
- 1.3 As a result of Corporate Parenting responsibilities, it was agreed at the OSC meeting on 10th February 2015 that the CPP Annual Report should be brought to the OSC on an annual basis, enabling challenge to be provided by Members who are not directly involved with the CPP.
- 1.4 National data shows that children who are in care are one of the lowest performing groups in terms of educational outcomes. They also have poorer employment prospects and health outcomes than the general population. Research indicates that there are a number of factors which need to be considered to maximise positive outcomes for children in care, some of which include placement stability, interventions being tailored to the characteristics and experiences of the individual and the need for professionals to have a good understanding of children's social, emotional, mental health and educational needs.
- 1.5 It is therefore essential that the quality of services for our children and young people at the edge of care, in care or who have left care, are monitored and challenged. The attached Annual Report outlines the work of the CPP during 2016-17 (Item 5b) including:
- The responsibilities and statutory duties of the Council to protect children
 - The role and responsibilities of Councillors as Corporate Parents
 - The Barnsley Pledge to Children and Young People in Care
