Officer Decision Record Template

Record of Decision of Anthony Devonport taken in consultation with *Phillip Spurr Service Director BU5*.

Subject

Lease of a ride on fairway machine for Barnsley Golf Course.

The current grass cutting machinery at Barnsley Golf Course has come to the end of its useful life and is beyond economic repair. Previously machines have been bought and are therefore not part of the fleet of machines that would be replaced under the capital programme for machine replacement.

Current budgets do not allow the purchase of a new machine outright and a lease will allow the renewal of the machine after a 5 year period and include any annual maintenance.

Consultation has taken place with Paul Castle service Director BU6
