**38 Better Care Fund - Plan for 2016/17 (HWB.02.02.2016/7)**

The item was introduced by Lesley Smith, Chief Officer Barnsley CCG. Members heard how NHS England is required to ringfence £3.519 billion within its allocation to CCGs to establish the BCF in 2016/17. The remainder of the £3.9 billion fund being made up of the £394 million Disabled Facilities Grant paid direct to local authorities. In Barnsley the total value of the fund in 2016/17 is expected to be a similar level to 2015/16.

The meeting noted that the performance element of the BCF had been removed for 2016/7. Beyond 2016/7, the spending review had emphasised the ambitions for the full integration of health and social care by 2020. The meeting discussed the work required within and between agencies to progress this.

It was noted that the detailed planning guidance had yet to be published but it was suggested that planning ought to start imminently, with SSDG leading the work, supported by a task and finish group of relevant officers.

**RESOLVED:-**

**39 Anti Poverty Action Plan (HWB.02.02.2016/8)**

The item was introduced by Councillor Platts, drawing attention of the meeting to the worsening of Barnsley's relative position in the revised Index of Multiple Deprivation. The committee discussed the role that the Anti-Poverty Action Plan had to play in redressing this.

Members commented on the need to incorporate performance targets against each of the performance measures and acknowledged that work continued to populate

this. The meeting noted the correlation between poverty and poor mental health and that measures to deal with had not been included in the Action Plan.

The meeting noted the emphasis within SWYPFT to focus on improving the employment prospects of people with mental health issues. It was acknowledged that mental health needed to be a cross cutting theme in all strategies partners developed, and the meeting noted the emphasis to be placed in the Community Safety and Stronger Communities Strategies in this respect.

Noted were the specific arrangements in place for mental health under the Crisis Care Concordat.

**RESOLVED** that:-

**(i)** the Anti-Poverty Action Plan be approved subject to further work to develop performance targets for each of the measures;

**(ii)** the connection between poverty and mental health be noted and the work to focus on mental health in the development of strategies and plans be welcomed.

#### **40 Sport and Active Lifestyle Strategy (HWB.02.02.2016/9)**

The item was introduced by the Adam Norris, Senior Health Improvement Officer. Members heard how the action plan had been developed following the recently approved Sport and Active Lifestyle Strategy. It focused on increasing physical activity in the Borough over the next three years.

Members noted that the levels of physical activity in the borough were actually reducing against an already low base, presenting a particular challenge to stabilise levels before progress could be made.

The action plan identified work to analyse key factors that prevented people being more active so that targeted interventions could be developed.

**RESOLVED** that the content of the action plan be noted.

It was noted that work was in hand for a workshop of SSDG members to come together on 26<sup>th</sup> February, 2016 to consider priorities in reviewing the strategy. It was hoped to establish more focused outcomes, and to work with partners about how the data available can be used to track performance.

Members commented on the need to consider those areas where joint working under the Board could make a difference.

**RESOLVED** that the report be noted.

**43 Barnsley Health and Social Care System Financial and Economic Modelling (HWB.02.02.2016/12)**
