50. Notes from the Ward Alliances

The meeting received notes from the Cudworth, Monk Bretton, North East and Royston Ward Alliances, held throughout January, February and March 2015. The following updates were noted:

Cudworth – The recent Health Fayre, at which daffodils and fruit were distributed, was very well attended and will be repeated again towards the end of the year and again in spring 2016. At the last meeting it was agreed that grants should be given to Yorkshire Dance Fusion Majorettes and Crystal Lights Majorettes. In the new financial year a maximum of £500 of funding will be available for new community group applications. Work at Carlton Nature Reserve is ongoing, and plans for Cudworth in Bloom are underway.

Monk Bretton – At a recent cleanup 80 bags of rubbish were removed by 65 volunteers, many of whom were recruited through Facebook. The next summer Gala is planned for 4th July at Monk Bretton Priory. All are welcome. Wi-Fi is now in place at Silverdale and 3 new Ward Alliance Members have come forward. Last winter a ton of grit was purchased to refill the 6 extra grit bins in the ward. These have been refilled on several occasions and another ton of grit will be purchased. The cost saving this represents is significant and other Wards were advised to do the same.

NORTH EAST AREA COUNCIL

9th April 2015

A Food Hygiene course for volunteers was very successful and useful for Community Groups who provide food at community functions.

North East – The last Ward Alliance meeting was held on 7th April. At the moment efforts are concentrated on the promotion and awareness of the Ward Alliance. Members had considered the format of the Darton ward newsletter, which they considered to be a good example, although the incorporation of a contact list would be beneficial. The purchase of a CCTV camera to combat anti-social behaviour at a cost of £1000 has been agreed

Royston – There are a number of on-going projects such as the allotments etc. The renaming of the former Civic Hall to the Albert Shepherd VC Centre has now taken place. The event was very well attended by the public, community groups, schools and descendants of Albert Shepherd, and there is the possibility of Mr Shepherd's VC medal being displayed in the Centre next year. Thanks were expressed to Area Team Officers for their hard work in making the event a success. The Disablement Information Advice Line (DIAL) started today as a 6 month pilot scheme. A 3 hour drop-in session will be held once a month and is complementary to the Citizens Advice Bureau (CAB) service. Ward Alliance priorities are being considered alongside the poverty report of the Anti-Poverty Board. Discussions are ongoing regarding a fitting memorial the local soldier who was killed during the conflict in Syria. Royston Gala is planned for 28th June and will be attended by Royston Dynamos and a brass band.

RESOLVED: that the notes from the Ward Alliances be received.

51. Update for the North East Environment Team commissions for the Cudworth and the North East area and the Monk Bretton and Royston area

NORTH EAST AREA COUNCIL**9th April 2015****55. Replacement of play equipment damaged by antisocial behaviour**

Members were reminded that they had set aside £10,000 to replace damaged play equipment in playgrounds across the North East Area Council wards. Anti social behaviour in Cudworth Park, which included damage to a Springy was reported, and approval was sought to repair the damages at a cost of approximately £2500. A discussion ensued about replacement of damaged equipment in areas where there is a Parish Council responsible for replacement of equipment. It was felt that the system should be fair across all wards, particularly when equipment has been damaged through anti-social behaviour rather than wear and tear.

RESOLVED:

- (i) that approval be given to repairing the damage caused by anti social behaviour in Cudworth Park, at a cost of approximately £2500;
- (ii) that clarification be sought regarding replacement of play equipment in Wards with Parish Councils.

56. Consideration of Future Priorities for the North East Area Council

A discussion took place regarding the determination of future priorities for the North East Area Council. It was felt that the best way to do this would be through a series of workshop meeting, to be arranged shortly after the municipal Elections.

RESOLVED:

- (i) that the Working Groups for each of the Area Council Priorities should meet and then feedback to a full Workshop, which is scheduled to take place on 13th May at 10 o'clock, in order to determine future commissioning priorities. Further details will be provided in due course.
