Additional information

To the General Licensing Regulatory Board, Barnsley Metropolitan Borough Council

Dear Chairman and Members,

**Hackney Carriage Tariff Increase
General Licensing Regulatory Board
Wednesday, 4 September 2019 at 2pm**

We the undersigned, signed the petition that has been presented to yourselves in opposition to the hackney carriage tariff increase requested by Barnsley Hackney Carriage Association (the Association).

The proposal that we objected to is not the one that has now been presented to you, but an earlier proposal that was made by the Association in February 2019.

As a result of our opposition to it, the Association withdrew it and submitted the current proposal to the Council by letter dated 15 April 2019.

Not only do we not oppose the current Association request, but as it incorporates the changes we wanted to be made to it, we support the request and respectfully ask the Board to approve the Association's request.

Yours faithfully,
