Member questions to Cabinet Members and Committee Chairs

Council meeting: 28 March 2024

Question: 1.
From: Councillor Hunt
Response by: Councillor Franklin (Cabinet Member Regeneration and Culture)

Question:

In each of the last three calendar years how many cases of damp and mould were reported to Berneslai Homes by its tenants?

Information for response:

Prior to the 2022-2023 financial year Berneslai Homes were not separating reports of damp & mould from any other day to day repair due to restrictions within the old SAP software system used to track and manage repairs. (This was due to limited works centres and service product codes).

As internal painting works were put on hold from 2022-23, we were able to utilise this vacant service product code in SAP and start recording these separately.

Therefore, we can only provide a response to the request from December 2022 onwards (this is the data we can extract from Systems).

- 1st December 2022 to 31st March 2023: 1,931
- 1st April 2023 to 18th March 2024: 2,573
