

#### **Public Document Pack**

MEETING:	Central Area Council
DATE:	Wednesday 10 April 2024
TIME:	2.00 pm
VENUE:	Reception Room - Barnsley Town Hall

#### SUPPLEMENTARY AGENDA

4 Central Area Council - Clean and Green Priority (Cen.10.04.2024/4) (Pages 3 - 48)

Twiggs Grounds Maintenance Targeted Household Flytipping (Environmental) Officer – John Partridge Housing and Cohesion Officer – Lisa Harris

To: Chair and Members of Central Area Council:-

Councillors K. Dyson (Chair), Bowser, Christmas, Clarke, Fielding, Lodge, O'Donoghue, Mitchell, Moyes, Murray, Risebury, Shirt, C. Wray and P. Wright

Area Council Support Officers:

Steve Loach, Central Area Council Senior Management Link Officer Kelly Lycett, Central Area Council Manager Rachel Payling, Head of Service, Stronger Communities Sarah Blunkett, Central Area Council Manager Lisa Phelan, North East Area Council Manager Peter Mirfin, Governance Manager

Please contact Peter Mirfin on email governance@barnsley.gov.uk

Date Supplement Published – 9 April 2024

Welcome to our presentation. With a decade of central area contract experience, its easy to showcase litter and volunteering outcomes.

Beyond litter picking and grass cutting there's so much more, such as the community development and social value that isnt easily showcased.

Page 4

The following slides will explore the depth of our service allowing you to discover the social impacts beyond the other routine tasks.

## **Reduces - Social Isolation**

- We work with volunteers and encourage people to come out of their houses and participate in activities, therefore reducing social isolation.
- We offer to support groups or work with people as individuals so we can tailor to their specific needs and requirements.
- We support the elderly or those who are socially anxious to get out of their house and have human interaction.
- This improves the physical and mental well-being of volunteers.
- As a whole we provide opportunities to meet new people, improve your health and gain a sense of pride for your community.

# Improves Mental Health & Physical Wellbeing

Through volunteering, the activities that we carry out play a crucial role in enhancing people's mental health and physical well-being. Numerous studies have highlighted the significant benefits of outdoor volunteering on individuals' overall wellness:

- 1. Reduced Stress and Anxiety
- 2. Improved Mood
- 3. Increased Physical Activity
- 4. Enhanced Social Connections
- 5. Connection with Nature
- 6. Sense of Purpose and Fulfilment

Overall, the combination of outdoor activities and volunteering creates a powerful synergy that not only improves the environment but also enhances the mental health and physical well-being of individuals within the community. We have had the benefit of seeing this in our day to day operations.

## **Donations**

People Love Giving Us Free Stuff - To Support Volunteering in Barnsley!

#### Top Contributing Companies:

- Asda
- Tesco
- Page 7 • Premier Foods
  - Emmanuel Church
  - Range
  - Cookes Pet Supplies
  - Morrisons
  - Sutton Seeds
  - Wickes
  - Co-Op
  - Barnsley FC

#### Donations Received:

- IBC Water Containers
- Snacks
- Refreshments
- Bulbs (Approx 10,000)
- Bird Seed
- Discounts on Services
- Plants
- Meals
- Plant Pots
- Seed Swaps
- Match Tickets

We already have 20+ local organisations signed up to support volunteering.

## Tree Planting

One of the best activities that we enjoy leading and people enjoy supporting our tree-planting initiatives. Trees are donated through various sources, from Woodland Trust (private sponsors) to BMBC's Tree Planting Officer.

The stats below are of how many trees have been planted in each area to date.

#### Stats

- Stairfoot / 288
- Dodworth / 329
- Kingstone / 141
- Central / 478

Each tree on average captures 21kg of CO2 per year, meaning we have planted enough trees to capture roughly 25,965kg of CO2 per year.

# Business Engagement & Partnership

Engaging with local, national and International businesses to offer environmental volunteering opportunities.

Events take place such as;

- Creating Wildlife Habitats
- Reinstating pathways
- Removing litter and recycling initiatives
- Training of volunteers in environmental works & conservation
- Preserving public property (such as benches)

## **Local Enforcement**

We prioritise close collaboration with local enforcement agencies to maximize coverage and impact through shared intelligence.

#### Focus Areas:

- Addressing antisocial behaviour, dog fouling, and needle disposal.
- Combining efforts to tackle community concerns effectively.

#### **Knowledge Sharing:**

- Sharing insights on areas of blight for targeted interventions.
- Leveraging local intelligence for a greater environmental impact.

#### Information Exchange:

- Pooling data on properties with environmental issues.
- Facilitating proactive measures to address environmental challenges.

## **National Initiatives**

As an organisation committed to community betterment, we actively participate in national initiatives such as the Great British Spring Clean (GBSC), Earth Day, and Volunteer Week.

- Great British Spring Clean (GBSC): Each year, we join forces with volunteers across the area for the GBSC, a campaign dedicated to cleaning up litter and improving local environments.
- Earth Day: Earth Day is a global event that celebrates environmental protection and sustainability. Through our involvement in Earth Day activities, we raise awareness about pressing environmental issues and inspire individuals to take action to protect our planet.
- Volunteer Week: Volunteer Week is an annual event that celebrates the contributions of volunteers. During Volunteer Week, we showcase the impact of volunteering in the community and encourage individuals to get involved in meaningful volunteer opportunities.

## Training & Upskilling

Throughout our activities, we place a significant emphasis on training and upskilling our volunteer workforce, recognising the invaluable contribution they make to our community. Our training programs cover a wide range of areas essential for effective volunteering and community engagement. Some of the key training topics include:

- 1. Health & Safety/Risk Assessments
- 2. Horticultural Practices
- 3. Correct Use of Hand and Power Tools
- 4. How to Become a Volunteer
- 5. How to Source Funding

Our commitment to training and upskilling not only enhances the capabilities of our volunteers but also empowers them to make a meaningful impact in our community. By investing in their development, we ensure that our volunteers are equipped with the knowledge and skills necessary to contribute effectively to our shared goals of community improvement and engagement.

## Schools & Education Packs

Since our commissioning, we've prioritised investing in school partnerships. We believe Influencing young minds encourages responsible adults.

#### **Engagement:**

- Collaborating with school pupils and children, tailoring projects for their involvement.
- During projects pupils learn various life skills e.g. growing their own food.
- Developed an engaging educational pack in 2018, still in use today.

#### Activities:

- Children engage in independent activities outside of school.
- Writing poetry, creating art, encouraging outdoor exploration.

#### Conclusion:

- We encourage environmental stewardship from a young age.
- Together, let's inspire a generation to enjoy and respect our natural environment.

## Education Centres College College

We have a longstanding relationship with Barnsley College, our collaboration is a cornerstone of our local support network. Together, we've undertaken various volunteering and environmental initiatives, enhancing the Central Area.

#### Supportive Relationship:

Barnsley College is a key supporter in various areas of volunteering, aiding in fence painting, leaf learance, composting, lawn maintenance, footpath reinstatement and more.

They utilise our opportunities for student work experience, benefiting both parties.

#### Work Experience Opportunities:

- We offer 1-to-1 placements and group activities for students to fulfil their portfolios.
- Students contribute to improving the Central Area while gaining valuable skills and experience.

#### **Industry Engagement:**

- Our involvement extends to giving talks during industry weeks at Barnsley College.
- We've addressed horticultural and business students, sharing insights into living and working in our sector.

# Employability, Work Placements & AQA's

Our collaboration with employment centres, notably the Job Centre and Adult Skills & Learning, is integral to our mission. We provide opportunities for individuals to gain work experience in community and environmental settings.

#### Rolling Program:

- We offer a rolling program within our organisation, allowing individuals to experience work first-hand.
- Industry visits showcase our on-the-ground and behind-the-scenes operations, highlighting local opportunities.

#### **AQA Accreditations:**

- We offer AQA accreditations to boost CVs through volunteer activities.
- Tailored to various tasks, these accreditations are delivered in-house by our Team Leader and CDEO roles.

## Social & Green Prescribing

Since the pandemic, we've experienced a surge in requests from NHS services for green prescribing opportunities. These referrals offer an alternative to traditional prescriptions, focusing on mental health, anxiety, depression, and other health issues.

#### Impact of Green Prescribing:

- Participants seek nature-based interventions to improve mental and physical health.
- Our programs provide therapeutic benefits beyond traditional treatments.

#### **Anticipated Changes:**

- With forthcoming changes to the NHS, we anticipate a significant increase in green prescribing initiatives.
- We're prepared to meet this demand and continue offering impactful opportunities.

And as well as all this, we are also pretty damn good at picking up litter, cutting grass and recruiting volunteers...

# Good News Stories: How Communities Tackle Fly Tipping and Littering

Fly tipping and littering are serious environmental issues that affect many neighbourhoods and public spaces. However, some communities have taken action to clean up their areas and prevent further dumping of waste. Here are some inspiring examples of how people have made a positive difference in their surroundings.

Quick fix on Princess Street January, a quick door knock and lead me to the owner of the waste and builders bag I asked to have it cleared and within a week they had.

Wig on Dodworth Road January letter sent to owner, requesting clean up its owner occupied who paid for waste removal no further action needed taking.

Sackville Street property clean up, contaminated bins and overflowing waste. Engaged with Mears who manages the property they arranged for a clean-up. I gave the person a hand and secured and reported the contaminated bins for removal. Completed within 48 hours and commercial bins installed to prevent further issues.

#### Lisa and John Tackle Measbrough Dike

Lisa had the idea that the backings of Osborne Street and Doncaster Road needed cleaning up, so we went there on a cold February morning armed with a sweeping brush litter picks and bags. After two hours we got 15 bags of litter and large bulky item's that had been fly

tipped, We then did a letter drop asking residents to be mindful and manage their waste in this area.

Cleanup on Lancaster Street and Crompton Avenue, overflowing and contaminated bins reported residents notified via letter drop.

Fly tipping resident of MBD, cleanup request sent resident replied and ordered bulk collection based on my letter relating to the services we provide warning issued no further action needed.

February Station Road Litter pick and community event just me and Dan from Twiggs on this one.

Measbrough Dike The Return Of the pickers, in a street in a town far away we picked Osborne Street Victor, Ivy Seth, and Sunderland Terrace all in all about twenty bags of litter waste and other fly tipping collected and reported, myself Lisa and Mark, working in partnership with Dan and Leanne from Twiggs.

These guys are from Better Living in Oakwell they wanted to make their area a better place to live, Twiggs made time for them to do a litter pick on Avon Street, whilst I dealt with fly tipping of Bio Waste on Pontefract Road see the photos from the planned March community events further down.

Langdale and Pontefract Road incorporating Avon Street, was the March Follow up from above we collected a dozen bags mixed recycling and a clean-up of the vegetation, we identified that Twiggs could engage with BFC to support litter picks after match days.

March 11<sup>th</sup> 2024 Litter Pick around Central and Oakwell started at Bala Street, and branched out no volunteers except me and Lisa, Twiggs did an amazing job we collected about 40 bag's Ward alliance and residents were notified a week in advance unfortunately there was no volunteers in attendance.

March 14<sup>th</sup> litter pick Monkspring and Worsborough Clean and Green volunteers 47 bags of litter picked by 14 volunteers from Berneslei Homes, Barnsley Council and members of the public along with Twiggs, we started at Maltas Court and spread out over the estate to pick and clean the area.

Reported fly tipping for Q4 2024 January February March, side waste/ bin bags excluded to give an accurate picture and type of waste tipped in central ward. I have also printed off the fly tipping hot spots by street and ward. I have done the same with the side waste/bin bags hotspots and amounts. Total amount of side waste for Q4 is 98 black bin bags presented at collection points on bin day but not removed by operators. I have not been able to drill down which was recycling, these are plastic bottles which should be in clear bags not black. In relation to cardboard, which is also classed as side waste, I can report that operators will not put large cardboard boxes like tv boxes in the compactors, neither will they take household black bin bags left out as overspill which is classed as side waste and not fly tipping. The long-term plan is to identify which property is missing their bins, this includes removal of contaminated bins which I report to neighbourhood services monthly on a spread sheet, with photos of the bins and exact location. The hot spots for Side waste gives me an advantage in doing so.
