The licensing objectives have been considered in the light of the proposed application, taking into account the venue and the site location.

Details of any measures considered necessary to promote the licensing objectives are contained under the relevant objective below.

b) The Prevention of Crime and Disorder

'Pubwatch.

Challenge 25.

'Zero tolerance to drugs on premises'

c) Public Safety

'Regular patrolling of premises'.

d) The Prevention of Public Nuisance

'Soundproof venue.

'Doors and windows closed where feasible'.

e) The Protection of Children from Harm

'Must be off premises by 9pm.

'Staff are CRB checked'.

4 Responsible Authorities

- 4.1 A representation has been received from the Pollution Service as a Responsible Authority involved in this process, as set out in Appendix 3.

Mr Denton has objected to the grant of the licence on the grounds of public nuisance, citing continual complaints received in respect of the premise. To alleviate issues raised, Mr Denton has recommended conditions be attached to the licence restricting the number of outdoor events permitted to take place (one per month) along with the submission of a noise management plan, subject to the licence being granted in this case.

- 4.2 Members are minded to note that the applicant has accepted both conditional requests, in addition to ceasing alcohol sales at 00.00 (as opposed to 02.00), closure of the premise at 01.00 (as opposed to 02.30), ceasing indoor music at 23.45 (as opposed to 02.00 in respect recorded music & 00.00 in respect of live music) and ceasing outdoor music at 21.00 (as opposed to 22.00).

5 Interested Parties

- 5.1 Following publication of the statutory notice of the application for the premises licence in the local press and the display of notices at the premises, a number of representations have been received from interested parties. In total, 6 representations have been received.

- 5.2 The valid representations have been received from:

L Shaw, 5 Blackburn Lane, Barnsley

J Weston, 13 Blackburn Lane, Barnsley

A Tattersley, 21 Blackburn Lane, Barnsley

J Wright, 23 Blackburn Lane, Barnsley

L Taylor, 25 Blackburn Lane, Barnsley

G Parker, 27 Blackburn Lane, Barnsley

- 5.3 Valid representations which relate to one of more of the four licensing objectives are attached as Appendix 4.
- 5.4 Under the provisions of the Licensing Act 2003, representations can be made by anyone whether or not they live or have a business interest within the vicinity of the premises where the application has been made. However, in this case interested parties concerned do reside close to, if not within the immediate vicinity of where the application has been made.
- 5.5 Each representation sets out a number of areas for concern in relation to the licensing objectives and a précis these are provided overleaf:
- a) 'Issues between staff at the club, crowd control and arguments with residents simply trying to relax at home'
 - b) 'The premise does not follow the terms of the current licence. Current licence states no drinking outside the premise at 11pm, this is not adhered to as people are outside until the early hours on most weekends'
 - c) 'Current licensing hours cause enough noise pollution and anti-social behaviour and extending these hours will only make it worse'
 - d) 'My house is directly opposite the doorway of the building, and as such I already tolerate unacceptable levels of noise from patrons of the club as they enter/leave and congregate outside in the smoking shelter area'
 - e) 'Currently I can hear music and voices through closed windows in my home'
 - f) 'You can hear live music given how loud it is, with the extended opening hours this is likely to increase and keep me awake at night'

6 Compatibility with the European Convention on Human Rights

The decision of the panel will amount to a determination of the Council and the rights of the applicant. Therefore, as far as it is possible to do so, the panel must comply with the requirements of Article 6 (the right to a fair trial). This means the applicant and should be afforded the right to make oral representations at the meeting.

If Members determine to refuse the application, it is necessary for the reasons to be clearly stated.

7 Financial Implications

The Polish Social Centre, 17 Blackburn Lane, Barnsley, South Yorkshire, S75 2BA

With regard to the above, I enclose the Club Premises Certificate and Club Premises Summary.

The Club Premises Certificate became effective on 24th November 2005

Under the provisions of the Licensing Act 2003 you may, in certain circumstances, have a right of appeal against some or all of the Licensing Authority's decisions made in respect of your application. Appeals should be made to the Magistrates' Court for the area in which the club is situated, within twenty one days of receiving the club premises certificate.

If you need advice on the appeal procedure, you should contact the court, but please note court staff cannot give you legal advice. If you need legal advice, for example about the likely success of an appeal, you should contact a solicitor or a Citizens Advice Bureau immediately.

If you consider there is a mistake in the club premises certificate or the club premises summary, the Licensing Authority will correct anything which it accepts as being a clerical mistake. If you believe there is such a clerical mistake, please contact us. This does not affect your right to appeal.

The club premises certificate will last indefinitely unless it is surrendered, revoked, or the club ceases to be a qualifying club.

An annual fee is payable on the anniversary of the grant of the licence. We will send you a reminder for the payment of the annual fee and advise you of what sum is then payable. The fees are set by Government and may be subject to change.

Finally, there are specific provisions in section 94 of the Licensing Act 2003 concerning the requirements for keeping, displaying and producing the club premises certificate and club premises summary whenever the premises is used for any licensable activity authorised by the licence. A brief summary of these requirements is set out below for your convenience:

Club Premises Certificate

The secretary of the club must ensure that the club premises certificate (or a certified copy of it) is kept at the premises and is in the custody or control of a "nominated person" as defined in section 94(3) of the Act.

Club Premises Summary

The secretary of the club must ensure that the club premises summary (or a certified copy of it) is prominently displayed at the premises and, if the club premises certificate (or a certified copy of it) is in the custody of a "nominated person", a notice must also be prominently displayed stating the name and position (e.g. manager) of that person.

Duty to Produce

A police constable or an authorised officer (e.g. a Council licensing officer) may require such person who has custody of the club premises certificate (i.e. the nominated person, as referred to above) to produce the certificate for examination.

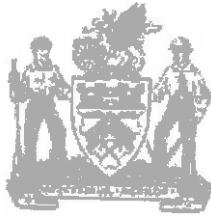

Offences

The secretary of the club commits an offence if he fails to comply with the above requirements relating to a club premises certificate and/or a club premises summary. Anyone who has custody or control of the club premises certificate (i.e. the holder of the club premises certificate or such other nominated person, as referred to above) commits an offence if they fail, without reasonable excuse, to produce the licence in accordance with a requirement under the above duty to produce. A person guilty of an offence under section 57 is liable on summary conviction to a fine.

Dear Sir,

**Licensing Act 2003, Section 42
Application to transfer a Premises Licence
Polish Social Centre, Blackburn Lane, Barnsley, South Yorkshire, S75 2BA**

With regard to the above, I enclose the Premises Licence and Premises Licence Summary.

The premises licence became effective on 1 November 2013.

Under the provisions of the Licensing Act 2003 you may, in certain circumstances, have a right of appeal against some or all of the Licensing Authority's decisions made in respect to your application. Appeals should be made to the Magistrates' Court for the area in which the premises are situated, within twenty one days of receiving the premises licence.

If you need advice on the appeal procedure, you should contact the court, but please note court staff cannot give you legal advice. If you need legal advice, for example about the likely success of an appeal, you should contact a solicitor or a Citizens Advice Bureau immediately.

If you consider there is a mistake in the premises licence or the premises licence summary, the Licensing Authority will correct anything which it accepts as being a clerical mistake. If you believe there is such a clerical mistake, please contact us. This does not affect your right to appeal.

The premises licence will last indefinitely unless it is surrendered or revoked, but will lapse in the event of the death of the holder of the premises licence or upon the licence holder becoming mentally incapable or financially insolvent.

An annual fee is payable on the anniversary of the grant of the licence, unless the premises are a school or community building (e.g. village hall) and the licence is granted in respect of regulated entertainment only. We will send you a reminder for the payment of the annual fee and advise you of what sum is then payable. The fees are set by Government and may be subject to change.

Finally, there are specific provisions in section 57 of the Licensing Act 2003 concerning the requirements for keeping, displaying and producing the premises licence and premises licence summary whenever the premises are used for any licensable activity authorised by the licence. A brief summary of these requirements is set out below for your convenience:

Premises Licence

The holder of the premises licence must ensure that the premises licence (or a certified copy of it) is kept at the premises and is either in the custody or control of the holder of the premises licence or some other specific person who works at the premises (e.g. manager).

Premises Licence Summary

The holder of the premises licence must ensure that the premises licence summary (or a certified copy of it) is prominently displayed at the premises and, if the premises licence (or a certified copy of it) is in the custody of someone other than the holder of the premises licence, a notice must also be prominently displayed stating the position (e.g. manager) of that person.

Duty to Produce

A police constable or an authorised officer (e.g. a Council licensing officer) may require such person who has custody of the premises licence (i.e. the holder of the premises licence or such other nominated person, as referred to above) to produce the licence for examination.

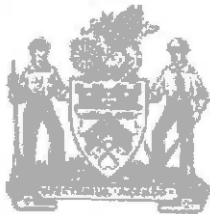

Offences

The holder of a premises licence commits an offence if they fail to comply with the above requirements relating to a premises licence and / or a premises licences summary. Anyone who has custody or control of the premises licence (i.e. the holder of the premises licence or such other nominated person, as referred to above) commits an offence if they fail, without reasonable excuse, to produce the licence in accordance with a requirement under the above duty to produce. A person guilty of an offence under section 57 is liable on summary conviction to a fine.

If you have any queries on this matter please contact the Licensing Section on 01226 772468.

- (g) (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

Hi,

I have looked at the application for the above premises and I can confirm that based on the times of the application and the fact that outside entertainment has been requested I object on the grounds of public nuisance. The above premises is one that I have been greatly involved in over the past few years due to continuing noise complaints. These complaints have related to both internal music from live bands and noise from patrons outside. There are already a number of restrictions on the existing licence that were added at a hearing to control the outbreak of noise. Unfortunately due to the sensitive location of the premises, I do not feel that it is suitable to allow outdoor entertainment without it being restricted to a set number of events per year. In addition I would request that the minimum of one month prior to an outdoor event taking place notification is given to Pollution Control along with the submission of a written noise management plan. With regards to the extension of the hours of operation within the premises I have concerns that this is greatly more than what is within the current PL, again I feel that due to the sensitivity of the location being so close to residential properties that I object on the ground of public nuisance.

Paul Denton

Dear Sir/Madam,

I wish to make representations about the proposals made by Barrie Treanor to Barnsley Metropolitan Council for a variation of licence to a premises licence in respect of the Old School House, Blackburn Lane, Barnsley S75 2BA on the following terms:

Sale of alcohol Monday to Sunday 11am-2am

Regulated entertainments Monday to Sunday 11am-2am.

Following a successful meeting with Barrie, his colleague Gary and two residents from Blackburn Lane I highlighted my concerns:

- 1) The level of noise from the club from people drinking and smoking outside. This on occasions goes on until around midnight. The noise worsens the later it gets.
- 2) The level of noise from live bands and that this varies. Some bands are barely heard and others are heard inside my property when all doors and windows are closed. This I believe is in breach of the current licence agreement.
- 3) The litter of glass bottles left on Blackburn Lane. The flower bed outside my property is used as a rubbish bin. I shared my concerns that children attending Summer Lane primary school play on the walls around the flower beds. Therefore, I clean the bottles away on a regular basis to prevent accidents.
- 4) Underage drinking and how this is challenged and dealt with within the club.
- 5) Crowd control and drinking in the smoking area.

Barrie and Gary took my concerns on board. I agreed I would be happy for the club to open earlier however opening later I did not feel was conducive to a residential area. We discussed how loud the band was on the 14.10.16 and the crowd outside the club. There were issues between staff at the club, crowd control and arguments with residents simply trying to relax at home. The police were called on this occasion. The following Friday was a repeat but unfortunately attracted underage drinkers. I have no evidence to suggest they were served in the club however they were drinking in and around the flower beds outside my home. Screaming and shouting and generally making a

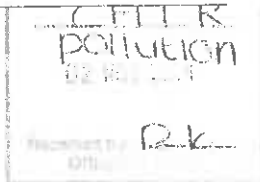

nuisance of themselves. I acknowledge this level of disruption doesn't happen every weekend but would not be willing to take the risk of opening into the early hours of the morning.

I therefore object to the club staying open until 2 am and would prefer to stay with the current closing hours to avoid a potential increase to crime and disorder, antisocial behaviour and noise pollution which has been on the increase of late. I did however take on board the passion that Barrie and Gary have for the club and would be happy for it to open earlier at weekends.

Kind regards

Lindsey Shaw

Dear Mr Denton,

I am writing to make an objection regarding the application for a premises licence, at the Polish Social centre, Blackburn Lane, Barnsley. I live at number thirteen Blackburn Lane, and have done so for the past 42 years.

You can imagine the noise and hassle I have had to endure over this period of time.

I have tried not to complain but on the odd occasions I have done so it has made no difference. This Friday evening as I write, there are at least fifty people outside, shouting, swearing and making a complete nuisance of themselves, which myself and residents do not expect in a residential area as this. I also refer to a letter from BMBC dated 4th November 2013 which a number of conditions were set down and I can confirm that mostly they have not been adhered to.

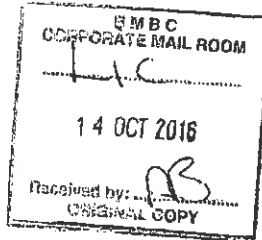

A.T.O.

I would ask if you could look into this situation and come to some reasonable solution, at least to lower the sound levels of the music.

Thanking you for your attention.

Yours faithfully,

Joan Weston.

Dear Sir / Madam

I am writing to make representation about the application made by Barrie Treanor for a variation to the premises licence in respect of The Old School House (The Polish Club) on Blackburn Lane, for both the sale of alcohol to be served during the hours of Monday - Sunday 11am - 2am and to have regulated entertainment Monday - Sunday 11am - 2am.

I strongly object to this application as I currently feel the premises do not follow the terms in the current licence to which they hold. I have enclosed a copy of a letter in which myself and other residents received follow the meeting at Barnsley Town Hall when the current licence was granted, I've included this to refer to and highlight what is not been followed up on.

The current licence states no drinking outside of the premises after 11pm, this is not been adhered to as people are outside until the early hours on most weekends.

It states that live and recorded music (indoors only) to play only until 11.30pm, again this on occasions this may go on to past midnight.

Additional conditions, states all external doors and windows to be kept closed whilst live or recorded music is taking place, my wife has taken photographic evidence on numerous occasions showing the doors are clearly wedged open and presented it to both Barnsley councils noise pollution and licensing departments to which nothing ever came of it, I can appreciate a photo does not prove music was been play played at the time taken, but surely too either depart could also appreciate she wouldn't have wasted the time and effort highlighting the issue if this was not the case.

The letter also state in additional conditions that a competent member of staff makes regular checks around the boundary to establish if amplified music can be heard beyond the premises boundary (boundary been the wall around the premises I presume), yet again this does not happen as we are able to hear it from inside our property, we have again also complained about this to both noise pollution and the licensing departments only to be told that both departments feel the levels we have to endure at times is that of an acceptable level, surely any level heard within the walls of my property particularly with our windows closed is classed as not ensuring that noise can be heard beyond the premises boundary as stated in the letter. We have also been told by both departments that we are the only residents on the street that seem to have an issue with noise levels and that complain, yet having spoke to other residents and friend of the street they too still experience disturbances from the noise heard coming from within the premises of The Polish Club and too have complained on numerous occasions.

-8

Finally stated in the in addition, the Sub Committee paragraph b) states, recommended that the centre work with residents to ensure that any problems and issues which come to light can be addressed and overcome. I myself have rung the Polish Club when I felt the noise levels were unacceptable and asked that a member of staff come over to my property and listen from inside, and was flatly refused and told, the council say the levels they have the systems set at are acceptable and that's what I am leaving them at.

In addition to this on numerous occasion at the weekends there is a burger van set up in the grounds of the Polish Club, again something myself and other residents of the street don't wish to have to experience, not only do we not want the additional noise of its generator but we don't appreciate having the smell coming into our homes particularly when you have windows open.

Yours faithfully

Dear Sir Madam

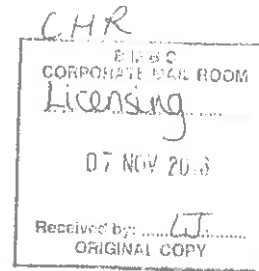

I am writing to object to the extension of licensing hours and the siting of a burger van at the Polish Centre at Blackburn Lane Barnsley. The current licensing hours cause enough noise pollution and anti-social behaviour and extending these hours are only going to make these problems worse. At the moment we cant open our front windows after 5pm due to the noise. Surely things will only get worse and the smells from a burger van will not make things any more pleasant. Parking is a big enough problem on the street and groups of people visiting the Polish Centre from 10 am to 2am is not going to improve anything for us regarding all these things. There will be more anti-social behaviour and drunkenness similar to the town centre which is unacceptable. I await your reply.

Yours Faithfully

Dear Sir/Madam

I am writing this as a **formal objection** to the proposed changes to the license granted for the building formerly known as the Polish Club on Blackburn Lane.

My house is directly opposite the doorway of the building, and as such I already tolerate unacceptable levels of noise from the patrons of the club as they enter/leave and congregate outside in the smoking shelter area. Loud and crass language is normal over a weekends activities, and to allow this to go on into the early hours would cause unacceptable disturbance in a residential area. The volume of music from within the venue is also a concern. Some evenings are better than others, and I recognise that money has been spent over the last 12 months to dampen the noise audible outside the perimeter, but between the music and the noise from those outside, I would be extremely disappointed to learn that this has been extended until after midnight. Currently I can hear music and voices through closed windows in my home, but just accept it at present knowing that by midnight it will have more than most likely have died down.

Another concern is the age and supervision of the target audience of the venue, who are looking to appeal to music lovers and especially of college age. Youths are regularly attracted to the site, and I do have issues with challenge 25 principles not being adhered to or enough door management, both to keep nuisance noise levels down, crowds under control and glasses and bottles being kept inside.

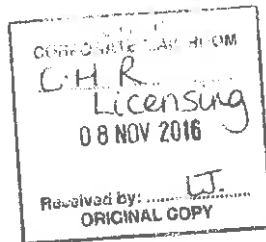

Having met Mr Treanor and Mr Watson with other residents of Blackburn lane, I have been able to voice my objections in person and look at alternatives. I have stated that I do not have any issue with the earlier trading being given the go ahead, my objection is the late night/early morning license. At the meeting we discussed the apparent lack of understanding around challenge 25, and both parties agreed to research and implement a better understanding for themselves and their staff. The location of the smoking shelter itself was debated, and they agreed that the current dishevelled look of the building would be dealt with. Mr Treanor and Mr Watson also discussed possible plans for the future of the business, including current building work to the interior, but had no clear and agreed path of how the building would eventually be used.

I do not wish for this building to be unused and run into a state of disrepair. I do wish the current owners luck in their business. What I do not wish is for residents unfortunate enough to live opposite the building to be subjected to unnecessary noise at an unacceptable time of night. Putting a license to do this, which is most akin to nightclub hours- in a residential area is senseless and insensitive to local people who could support a reasonably run venture in the future.

Yours Sincerely

Dear/Sir Madam,

I am writing to you in relation to the proposed opening times for the Polish Club on Blackburn Lane which I was told about by a neighbour. I was informed that a small laminated piece of paper had been affixed to a lamp posts across the opposite side of Blackburn which I feel does not adequately convey such a message to the residents.

I was expecting such a message to be sent to all residents or appear in the Barnsley Chronicle. Can it be confirmed if this information was communicated via the local newspaper please, if so what dates did this appear and can a copy be supplied to me?

I have also seen recently that the venue has had a burger van on the premises, can it be confirmed if the Polish club is to serve food be that inside it or externally as a take-away. I cannot recall seeing such information being advertised to support the Polish club in relation to the existing or proposed license regarding the application for opening hours?

I understand that renovations are taking place within the Polish club, will this include air conditioning? On hot and humid nights will revellers currently spill outside and are noisy. If air conditioning is going to be provided has an application to the council be applied for?

Given that the opening of the Polish club extends on Blackburn Lane currently I would like to see the gate being permanently closed or sealed. I would also like to see some form of noise reduction applied externally from the wall to the Polish Club itself as currently this is where revellers congregate.

At the moment you can hear live music given how loud it is, with the extended opening hours this is likely to increase and keep me awake at night. How is the Polish Club going to reduce such noise for residents?

Is there only going to be specific nights of live music can it be confirmed what nights these are please?

Currently there have been empty glasses and disused food on Blackburn Lane and surrounding area therefore what additional refuse bins will be put in place to reduce such litter? Asking revellers to keep such litter within the Polish Club grounds does not seem to be working.

Is there going to be any regular monitoring put in place by Barnsley Council to ensure that residents can be satisfied this venue will not negatively impact the surrounding area, if so what are these checks, frequency and will such findings be available to residents?

I have been a resident for many years and over the last two years there has been an increase in traffic, noise and drunken behaviour from revellers of the Polish club. How is the council going to combat the amount of traffic on Blackburn Lane? I have observed the volume of traffic and it has been had to park-up outside my own door, can Blackburn Lane be made residents only on one side to assist the residents?

I feel that with the opening hours of 11pm to 2am Monday to Sunday will increase the noise levels and of drunkenness in the locality. Blackburn Lane is a quiet residential area which does not need this as there are many pubs and other entertainment venues in close proximity to serve the general population without the need for the change in opening hours for the Polish Club.

I am personally not in favour of the hours being extended for the reasons stated as it will only serve to negatively impact the area around Blackburn Lane and surrounding locality.

I do hope that my views will be taken into consideration when considering the application for extended hours of the Polish club. I know that others within Blackburn Lane are of the same opinion as to how negatively it will cause an impact.

Please respond to the questions within this letter and confirm that it has acknowledged in response to opposing the extension of the licence.

I look forward to seeing a response in relation to the above.

Kind Regards,

Mr George Parker
