Dear Paul and Elizabeth

A Town Deal Board Governance Assessment has been carried out by the Towns Hub and we have given you a pass.

Based on your current arrangements and these being sustained and built upon going forward, Goldthorpe Town Board is compliant with all of the governance recommendations in both the Towns Fund Prospectus and the Further Guidance.

Your local BEIS contact and the Towns Fund Delivery Partner will continue to provide ongoing support throughout the TIP submission process and after.

We look forward to receiving your Town Investment Plan.

Best wishes

The Towns Fund team
