Metropolitan Borough Council

Arrangements for Making Key Decisions

The Council is required to give 28 days notice of any Key Decisions it proposes to take. The Council has approved the following definition of a Key Decision:

Any decision which would be made by Full Council on recommendations from Cabinet to approve or change the Council's budget or Council Policy.

Or

Any decision which would mean an income, spending or savings of £500,000 or more within one financial year. This does not include:

- A decision which is a result of implementing a previous Key Decision;
- A speculative bid for funding where a report would be made on the detail of a scheme if the bid was successful;
- Spending on day to day services – for example supplies or energy bills

Or

Any decision which would have a significant impact, either positive or negative on people living or working in more than two Wards.

This Forward Plan sets out when Key Decisions will be taken.

Barnsley MBC's Constitution requires all Key Decisions to be taken by the Cabinet, or by the Full Council following submission of a Cabinet recommendation. Cabinet is comprised of the following Elected Members: Councillors S. Houghton (Chairman), J. Andrews, M. Bruff, T Cheetham, A. Gardiner, S. Howard, R. Miller and J. Platts. Cabinet and Full Council will only take Key Decisions after considering reports prepared by the relevant officer. These reports will generally be available to the public on the Council's website at www.barnsley.gov.uk five clear days in advance of the meeting. In a limited number of circumstances, reports may contain confidential information, but a public summary may be provided on request.

Further information on requesting copies of reports is available from the Council Governance Unit by emailing governance@barnsley.gov.uk .
