Metropolitan Borough Council

BARNSLEY METROPOLITAN BOROUGH COUNCIL

FORWARD PLAN OF KEY DECISIONS

**DATE PUBLISHED:
2 April 2024**

**COVERING DECISIONS TO BE TAKEN:
1 May 2024 to 29 May 2024**

The Council is required to give 28 days' notice of any Key Decisions it proposes to take. This document lists the Key Decisions which Barnsley's Cabinet is likely to take over the next three months.

The Council has approved the following definition of a Key Decision:-

- Any decision which would be made by Full Council on recommendations from Cabinet to approve or change the Council's budget or Council Policy.

Or

- Any decision which would mean an income, spending or savings of £500,000 or more within one financial year. This does not include:
 - A decision which is a result of implementing a previous Key Decision;
 - A speculative bid for funding where a report would be made on the detail of a scheme if the bid was successful;
 - Spending on day to day services – for example supplies or energy bills.

Or

- Any decision which would have a significant impact, either positive or negative on people living or working in more than two Wards.

Barnsley MBC's Constitution requires all Key Decisions to be taken by the Cabinet, or by the Full Council following submission of a Cabinet recommendation.

These reports will generally be available to the public on the Council's website at www.barnsley.gov.uk five clear days in advance of the meeting. In a limited number of circumstances, reports may contain confidential information, but a public summary may be provided on request.

The Council is also required to give at least 28 days' notice of any private meetings of the Cabinet or its sub-committees and details of any such item are included within this document. This is to allow any interested party to make representations that the meeting should be held in public. Representations as to why these matters should be considered in public should be made in writing to the Executive Director at governance@barnsley.gov.uk no later than 5 clear working days before the meeting date indicated in the Forward Plan.
