Contract 2 commenced on the 14<sup>th</sup> September 2017 for a two-year term at a contract value of approximately £95,000 per annum. On the 25<sup>th</sup> March 2019 the

Area Council took the decision to utilise the contract extension clause and extend the contract until the 13<sup>th</sup> September 2020.

The Area Council agreed to continue to fund this project in September 2019. Due to procurement pressures during Covid-19 the decision was taken to submit a waiver in the summer of 2020 and extend the existing contract by 12 months until 13<sup>th</sup> September 2021.

*CURRENT POSITION: The Area Manager requested a contract extension to the existing waiver. This has been approved but only for 9 months at this stage until the 30<sup>th</sup> June 2023. Value £79,033.*

***Options for how welfare services can be more consistently commissioned, and contract managed, whilst maintaining local provision and oversight of delivery, are still being explored by officers.***

***Recommendation:***

***Medium Term – That the North Area Council participate in any development opportunity provided to shape the future Welfare IAG provision in the North Area.***

### 3.1 The Clean and Green Service

Contract one was delivered by Forge Community Partnership commenced on the 14<sup>th</sup> September 2015. Prior to the end of the contract the tender opportunity was advertised.

The second environmental contract commenced on the 2<sup>nd</sup> October 2017 at a value of £85,000 per annum. The provider, Twiggs Grounds Maintenance Ltd, commenced service delivery on the 2<sup>nd</sup> October 2017. On the 25<sup>th</sup> March 2019 the Area Council took the decision to utilise the contract extension clause and extend the contract until the end of September 2020.

*CURRENT POSITION: The current contract was tendered in autumn 2020. Twiggs Grounds Maintenance Ltd secured a two-year contract with the opportunity for a final one-year extension. The contract commenced on 1<sup>st</sup> April 2021 and is now in it's second year of delivery.*

*To help manage the expectations of this contract and tailor delivery to the needs of individual wards a steering group will meet on the 3rd Tuesday of the month to help programme delivery. Each ward prioritise two work streams for delivery:*

- *Working with existing voluntary group*
- *Generating new active volunteers*
- *Aiming to form new community groups*
- *Working with businesses*
- *Working with schools*

The Steering Group has devised a process for requesting work. All Twiggs work is now required to be considered at the Steering Group prior to inclusion in the calendar / work programme. All persons requesting work are requested to submit their request to the North Team for collation: [northteam@barnsley.gov.uk](mailto:northteam@barnsley.gov.uk)

***Update: The current two-year contract has a break at the end of March 2023; it also includes the option to extend the contract for a third year (April 1<sup>st</sup> 2023 to 31<sup>st</sup> March 2024), at a value of £85,000p.a. as per the original contract. It is necessary to agree if this option will be taken. Consideration must be given to three aspects: justification of need based on current area council priorities, satisfactory performance and availability of budget. It is also recommended that Members consider competing priorities at this challenging time.***

- 3.2 Housing and Cohesion Officer (Private Sector Housing) – At the November meeting 2017 it was agreed that the North Area would fund a private sector housing officer post at Grade 6 for 12 months fixed term. The successful candidate started on the 22<sup>nd</sup> January 2018 and proved to be a great asset to the area. The officer left the North Area council at the end of June 2019 for a promotion within BMBC.

The current Housing and Cohesion Officer started in post on Monday 19<sup>th</sup> October 2020. The officer now has a permanent contract and the role forms part of the Safer Communities structure.

In addition to the salary fees the Area Council agreed to fund uniform, PPE including IT, phone and bodycam, plus a £5k annual working budget.

***N.B.: Contractually the position is covered by a permanent contract to ensure employment rights for individuals. If the Area Council agreed to cease funding the position a 6-month notice period will be required.***

***UPDATE: Bradley Beatson has been offered a case management role within BMBC and will be leaving this position. Members asked to confirm intent to recruit to the position.***

- 3.3 Health and Wellbeing – Connecting Communities Grant

At a series of workshops in 2021 the Area Council discussed the loneliness and isolation and the impact of Covid-19. In July 2021 it was agreed to fund a grant program for two years with a budget of £100,000 per annum.

The grant opportunity was advertised at the end of September 2021 and the final date for submission was the 22<sup>nd</sup> October 2021. A total of 9 applications were received before the deadline totalling £615,710.39.

Stage one moderation took place on the 1<sup>st</sup> November and 4 organisations were invited back to present their projects on the 8<sup>th</sup> November. 3 applications were recommended for funding. The total allocated amount for these 3 projects was £186,766.44.

***N.B.: £13,233.56 remained unallocated and has been recirculated into the main Area Council budget for forthcoming delivery allocation.***

### 3.4 Stronger Communities Grant 2022/23

The total funding allocated for 2022/23 is £40,000. Each grant has an upper limit of £10,000. A total of 4 applications were received, totalling £23,716.34.

### 3.5 Devolved Funding to Ward Alliances

The Area Council has profiled £20,000 to be devolved to Ward Alliances during 2022. This means a £5,000 allocation per ward where the end of year balance is less than £10,000.

**N.B. Members are confirmed at the January 2022 meeting that they wish to make this allocation in 2022/23.**

### 3.6 Health and Wellbeing – focus on Young People

In November 2019 the North Area Council agreed to fund a project for up to three years. The project entitled ‘An Empowerment Programme Enabling Resilient Transitions for Children and Young People Aged 8-14 Years’ was advertised as a competitive grant in early 2020. The process was unsuccessful. It was agreed in on the 16<sup>th</sup> March that the opportunity should be chunked down to allow the VCS to respond.

N.B. This opportunity has been tailored to help address the fall out of COVID-19 lockdown and aid in the delivery of the COVID-19 Recovery Strategy. The grants went live on the 1<sup>st</sup> November 2020, delivered by YMCA and Ad Astra.

The Area Council has committed to fund this work for up to three years. Covid-19 Lockdown restrictions caused delays and for a time schools would not permit external partners into schools. The providers are now working within 5 schools.

**Current Position : Grant agreements are in place with providers until October 2022. At the March 2022 meeting the Area Council agree to fund the project for a further 2 years, until October 2024, at £90,000p.a. Providers received a 3% financial uplift which was feasible within the current financial envelope.**

Updated grant agreements have now been signed and issued to providers. This security will enabling the existing providers to support students adversely affected by Covid-19 and support them in their educational transitions, primarily the move to senior school.

#### 4. Financial Position

- 4.1. At the end of 2021/22 there was a significant **underspend of £109,566 (includes underspend from previous years). The budget was varied considerably during Covid-19, period 2020/21-2021/22.**
- 4.2. **The forecast for 2022/23 shows that the underspend** (including underspend from previous years) **was profiled to reduce to £76,211.** This is because the in-year balance is projected to exceed the annual budget by approximately £33,354.00.
- 4.3. Outlined annual commitments from April 2022:

<b>Contract</b>	<b>Proposed Spend 2022/23</b>
Anti- Poverty – Community Outreach	£95,000
Creating a Cleaner, Greener Environment in Partnership with Local People	£85,000
Housing Cohesion Officer – Grade 6 (+laptop and phone)	£35,000

4.4. Provided that the Area Council continues to commit funding as outlined in Appendix 1, the total spend profiled for 2022/23 was £437,500.00 at the start of the financial year.

**5. Commissioning Programme from April 2022**

5.1. Appendix 1 lays out the proposed spend. The Area Council is asked to note the proposed spend for 2023/24 and 2024/25. Provision has been adapted to support medium term Covid recovery.

5.2. It is recommended that allowance is made inflation for the current contracts at the point of renewal / retender.

5.3. Due to the fact the current cost of living pressures there is an opportunity to tailor subsequent provision to alleviate pressures locally. This will be informed by intelligence from the workshops held in October 2022.

**6. Risks**

6.1. The proposed budget would take the Area Council approximately £33,354.00 over budget per annum for 2022/23. However taking into account the current under spend, the investment profiled in Appendix 1 would be feasible.

**7. Next Steps**

7.1. Ensure that the Area Manager is alerted to any proposed commissioning profile variations so that feasibility considerations can be made at the earliest opportunity.
