

**Report of the Assistant Director to the  
General Licensing Regulatory Board  
to be held on the 15 February 2023**

**LICENSING AND ENFORCEMENT UPDATE**

**1. Purpose of Report**

The purpose of this report is to provide Members with an overview of the enforcement work Licensing Officers have recently undertaken.

**2. Background**

Members are minded to note, that Licensing Officers have continued to proactively work with the Hackney Carriage and Private Hire Trade and other Local Authority Departments to ensure that any issues and concerns within the trades are raised and addressed efficiently.

In addition, on the 24<sup>th</sup> of January 2023 Licensing Officers conducted a private hire licensing enforcement operation in the town centre. A summary of the enforcement operation is detailed below.

**3. Current Position**

On the 24<sup>th</sup> of January 2023 Licensing Enforcement Officers took part in a daytime operation focusing their attention on Private Hire drivers and vehicles that work in the day time economy.

In total 21 licensed vehicles and drivers were inspected on the day, the results of which are detailed as follows:

- 7 vehicles were suspended for failing to display the required door signage
- 1 vehicle was suspended for an inoperative front offside side light

- 1 vehicle was suspended for failing to display the required front private hire licence plate
- 3 written warnings were issued to drivers for failing to carry out their daily vehicle inspection checks
- 6 drivers were also spoken to about the signage on the vehicles and reminded of the required standard – being: -

**The vehicle when working must display on its front doors the words “Private Hire Vehicle Advanced Booking Only” and must display on the rear offside and near side doors of the vehicle the operator’s trade or business name and telephone number.**

**No other signs or words whatsoever shall be displayed.**

**The “Private Hire Vehicle Advanced Booking Only” signage must be in a contrasting colour to the vehicle, be at least 19” x 6” in area and be in a prominent position in the centre of the door panel.**

Vehicle non-compliance is an issue Officers are concerned with during the undertaking of each and every enforcement operation. Incorrect signage on vehicles cannot be excused, coupled with failing to complete basic vehicle inspection sheets, which is a tool that ensures the very safety of a licensed vehicle, is not acceptable.

#### **4. Proposal**

Proactive enforcement operations will continue to take place. Vehicle failures are always unacceptable, and our operations must convey the message that operators, vehicle proprietors and drivers must accept responsibility for their failures and make a change. We have clear standards that must be adhered to as failure to do so may put the safety of the public at risk when using a hackney carriage or private hire vehicle in Barnsley.

The principal consideration is as always, one of public safety.

Members are asked to support Officers and encourage private hire and hackney carriage drivers and operators to comply with the conditions of their licence and continue to keep their vehicles as safe as possible for both drivers and customers at all times.

**5. Background Papers**

Enforcement Officer Reports which contain exempt information are not available for public inspection

**6. Officer Contact**
