4. Contract & Grant Financial Decisions

Supporting Vulnerable People - Update

- 4.1 At the last Area Council meeting Members were updated on the outcome and now allocation of tranche 1 to DIAL to cover welfare advice services.
- 4.2 The panel agreed that applications were not sufficient to allocate to tranche 2 at this time. The panel recommended that this funding should be reviewed along with the Social Isolation priority. The Area Council Manager will arrange a Members' workshop to explore recent project reviews and research with members.

5. Clean and Green Priority

- 5.1 A workshop took place for Members on the 16th of March to provide policy and procedural environmental updates. This workshop also reflected on progress regarding this priority to date and focused on forward planning for 2023-24. It was agreed that a further workshop will be held in 6 months time to assess progress.
- 5.2 Members also requested a further workshop regarding flytipping and housing enforcement to take place in June/ July when our new Housing Officer is in post.

6. Financial Position

- 6.1 Based on updated information relating to existing CAC contracts, SLA's and Grant Agreements, Appendix 1 provides a revised position statement on CAC funding.

The 2022-23 figures provided remain indicative projections and may be subject to changes agreed as part of the ongoing procurement and contract management processes.

- 6.2 A finance overview with future projected expenditure for the period 2022 up to 2024 is attached for information featured in Appendix 2. This has been updated as at year-end and reconciled with Appendix 1 for accuracy.

Interventions being considered at today's meeting and other "informally agreed" services are shown in **amber**, with future potential proposals shown in **red**. There are no items for consideration at this meeting.

The 2022 to 2024 budget projections remain indicative projections and may be subject to changes agreed as part of the ongoing procurement and contract management processes.

The assumption is that the baseline budget remains the same year-on-year and this may be subject to change
