9. Ward Alliance Priorities and Action Plan	Action/Decision	Action lead
<ul style="list-style-type: none"> Ward Alliance Summer Event: The Ward Alliance would like to support an event led by Angel Voices. This would be a picnic in the park (Bring your own) with a 'concert' led by Angel Voices and their young people, with the opportunity for local people to be involved too if they wish. We would open up the pavilion for toilet access and invite an ice cream van. This is taking place August 12th. Summer Projects: Stairfoot Ward will be getting a number of Sports Van, Ramp it Up and Game changer events. We will look at working with Johnny's Gym too to support some open sessions. Celebration Event: This will be taking place on Sept 21st at the Civic. The Ward Alliance are happy to support, so long as the event stays at a low cost. They would like to do their own event though too within the community. 	<p>Meet with Angel voices to plan the event</p> <p>Co-ordinate with partners to get the dates confirmed and any costings</p> <p>Solidify the plans and present full event</p>	<p>CA</p> <p>CA</p> <p>CA</p>
