£16,000 UKSPF

Private Sector Housing Officer -£2,500

Department for Work & Pensions

MORE MONEY IN YOUR POCKET

Greatest Benefit and Outcomes

- Created better contact with local schools and families
- Links to corporate priorities Healthy Barnsley, Growing Barnsley and Sustainable Barnsley
- Improving intelligence in our area
- Breaking down barriers between the council and the community
- Partnership working with collective aims and goals, shared responsibility, across education, health and the community
- Offset against energy costs
- Gave families the provision to cook using low energy achieved by slow cookers/air fryers along with advice and ingredients to use these

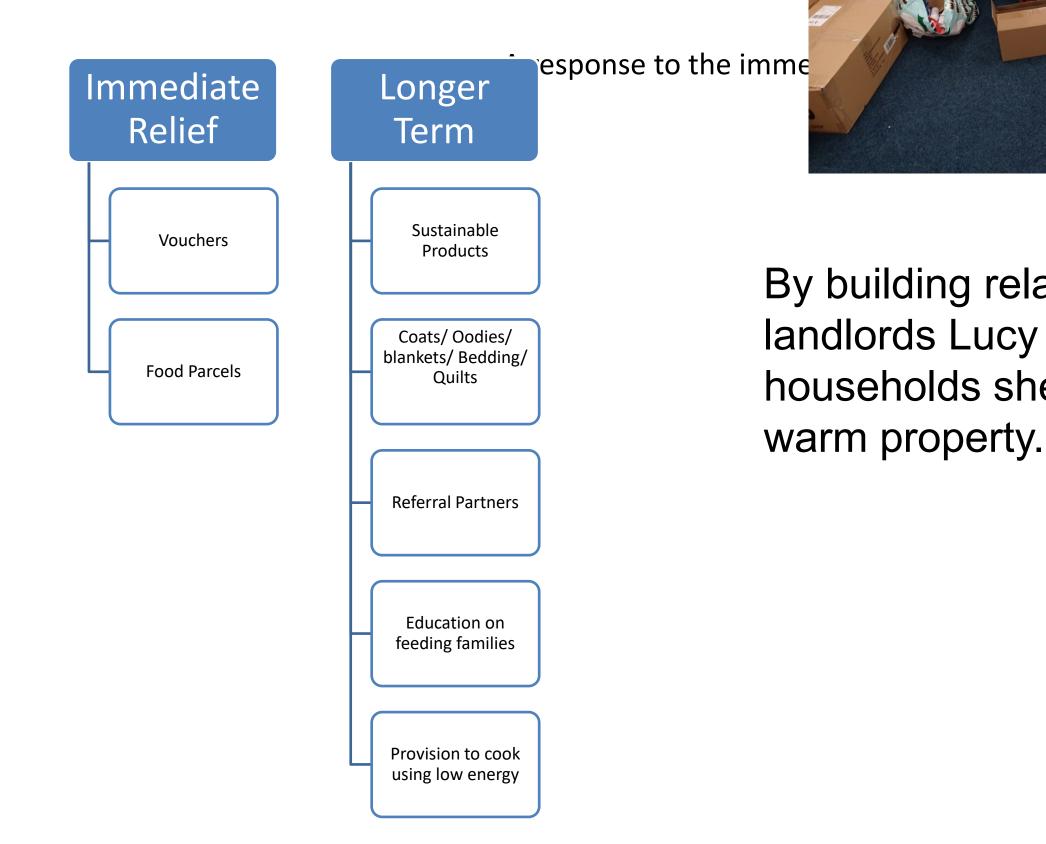

Department for Work & Pensions

MORE MONEY IN YOUR POCKET

By building relationships with residents and landlords Lucy is able to ensure that every households she visits is entitled to a safe and warm property.

Department for Work & Pensions

Credit Union – White goods	£5000
Community Fridge	£3000
Darfield Community Centre	£2,500
Private Sector Housing Officer	£3,000
South Schools Uniform Project	£5,000

Supporting roughly 50

households

Supporting hundreds of

residents

Supporting roughly 200

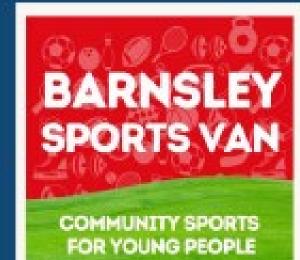

individuals

Supporting roughly 100

individuals

Supporting around 40 pupils from each Primary school and 100 from each secondary school.

The South Area

COMMUNITY SPORTS FOR YOUNG PEOPLE

BARNSLEY FC

The South Area

Inspiring young people to get cycling and scooting.... And keep cycling and scooting

Grandparent Lynn lives in Birdwell across from the Recreation ground where the RampUp session on 1/9/23 was delivered.

Lynn bought her granddaughter Amelia to the first Birdwell session at he start of the summer holidays.

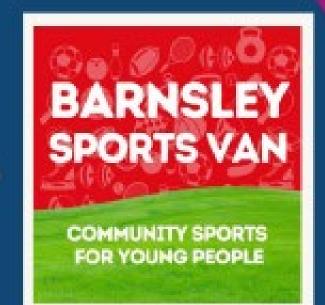

The inclusive and friendly format of the sessions, and BMX fleet inspired Amelia to buy her own bike to carry on practicing and riding in the park during summer.

Here is a rec and Amelia.

Here is a recording of an interview with Lynn

RAMP UP ZONE.

All Ramp Up sessions are overseen by **Barnsley Council Sport and Physical** Activity staff, who are suitably trained and experienced to deliver, exciting cycling and scooting sessions. Bikes, scooters, helmets, and ramps provided. Or bring your own bike or scooter and join in (helmets must be worn by all riders in the RampUp Zone)

All children need to be registered by a parent / guardian on the RampUp system before they can take part. Parents / guardians of children under 8 are required to remain at the session.

If your child uses their own bike or scooter you are confirming that it is safe to use.

Registration will be required once and will cover participant attendance at other RampUp sessions.

BARNSLEY

Wombwell Premier Kicks – Safer streets funding

- During the period 01/06/2023 30/08/2023 Premier League Kicks delivered sessions in Wombwell, providing sports provision and opportunities to young people with the aim to reduce anti-social behaviour and increase sports participation.
- Engaged 59 young people aged between 8-19yrs, with 45 identifying as Male and 14 identifying as Female.
- Weekly sessions at Netherwood Academy and Wombwell Park. Wombwell Park: 1-hour multi-sport/football coaching and Netherwood Academy: 2 hours for different age groups.

- During the funding period, Reds used social media platforms, Facebook, Instagram, and Twitter to promote along with flyer drops into local primary schools and Netherwood Academy. In addition to this they worked closely with local partners and
- authorities including the Youth Offending Team, local family centre as well as attending a Health and Wellbeing fair at Netherwood Academy on the 26th June.
- During sessions it was highlighted that some young people attending were experiencing behaviour issues during school, receiving detentions.

The opportunities have developed confidence, social skills, and other personable traits, "I've really enjoyed coming here every week, I've made new friends and can speak to people easily". 84% said they feel more confident around new people and 67% say they are more willing to try new things.

Developed a positive relationship with Netherwood academy with the aim to reduce violence and ASB.

INCLUSIVE FOOTBALL SESSIONS

TUEDAYS WOMBWELL PARK, WOMBWELL, S73 OES 5-6PM (8-16YRS)

WEDNESDAYS ASTREA NETHERWOOD, WOMBWELL, S73 8FE 5-6PM (8-13YRS) 6-7PM (14-18YRS)

Safer Streets – Wombwell Train Station

AD HURKS WELSTON, WKS

Young people and family suggestions for the artwork

Idea for the lettering was 'together we create...., then the words in the leaves/ surrounding could say community, safety, pride, home, neighbourhood, diversity, hope etc.

Recognised the unicorn even the really young ones.

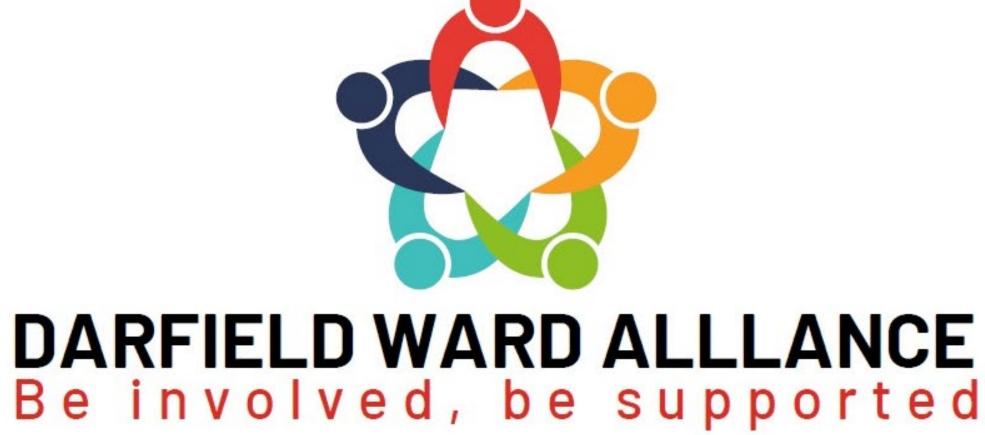

Wombwell Park recognised as a feature and well used and maintained by all, lots of activities take place there.

Picture of the park sign – well known for roly poly hill and the wishing tree – maybe we could add something around that – the tree with leaves could be the wishing tree?

Like the idea of a rainbow in the background representing diversity, another suggestion was hands together.

Wombwell Cemetery has a lot of history to it. Colour suggestions were bright and bold which I think we all agree on.

Darfield Ward Summer Programme

Summer programme

- Funding from Darfield Ward Alliance, Safer Streets, Public Health, Good Food Barnsley
- Provide a programme for all to access – no set criteria
- Reduce anti-social behaviour
- Provide free or low-cost activities
- Reduce the pressure on families
- Provide free or low-cost food
- Good geographical spread, including harder to reach areas, reduced travel expense
- Publicised across the ward and on social media

Wombwell Luncheon Club Family Cook and Eat

- First session 16 children and young people + adults, 6 volunteers
- Second session 14 children and young people + adults, 2 volunteers
- Food funded by the ward alliance

High Street Planters

6 volunteers from the ward alliance, friends of Wombwell park, Ward Councillors, south area caretaking team worked with the CDO and principal towns to fill and plant the new high street planters.

Hoyland Milton and Rockingham Safer Streets Workshops – Lisa, mum of 2 - "My daughter enjoyed the session today and came home telling me all about what she'd learnt. I think it's great she got the chance to learn something new and become more streetwise."

Wombwell Picnic in the Park – Diane Local Resident - "This is how the park should be, full of children and adults having fun, lovely to see"

Hoyland and Milton Grassroots Activities – Teens in attendance - "When will the next sessions be on? Because we've really enjoyed today because it's not just sports like football. We'll be going to den building tomorrow!"

Darfield Teddybears Picnic - Paige Mum of 2 "Absolutely amazing thank you so much, the kids loved it"

Outcomes and impact

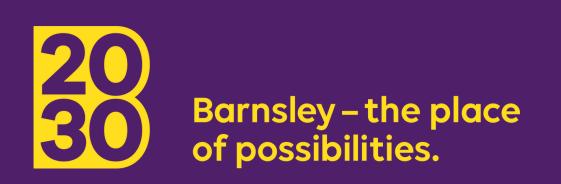

- Seven partners worked with including Grassroots, Reds in the Community, Sports Van, Ramp Up, Freedom Personal Safety, Community Rail and South Neighbourhood Policing Team
- Four businesses worked with: A.G. Greengrocer, Tesco, Co-op, B&M.
- 54 sessions took place over the six weeks, 800 attendees engaged with.
- Seven larger family fun days.
- Two training opportunities funder through Safer Streets including self-defence.
- Meet Ward Alliance priorities.
- Linked with Corporate priorities (2030).
- Opportunity to test out new providers and ways of working.

Outcomes and impact

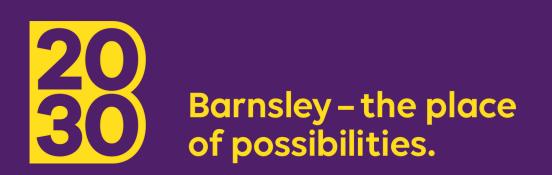

- Improved working relationships between internal services such as Public Health, Safer Neighbourhoods, Targeted Youth service, and the Area Teams.
- Young people had the opportunity to learn new skills, receive training, and take part in something different.
- Community Groups had the opportunity to showcase their work, promote their activities and recruit new volunteers.
- Promote the area working and the Ward Alliances.
- Artwork to be installed, which has been designed by local families and young people.

Reflections and learning

- Highlighted that there is a need for additional summer provision, outside of Healthy Activities Funding and paid for summer camps, whereby families and young people can access free to lost cost activities on their doorstep.
- Some areas received higher numbers of attendees than others, meaning that the location may not have been quite right. Unpredictable weather meant that outdoor venues could be hit and miss and some events needed a 'back-up' to ensure that it could still go ahead.
- A pre booking system could be used i.e Eventbrite so sessions can be staggered and providers can anticipate numbers.

Next steps

- Ward Meetings and feedback at Ward Alliance meetings
- Review of provision and priority for future provisions

Any questions?

Vard Alliance or future provisions
