1. INTRODUCTION

Our [Council Plan for 2021 to 2024](#) sets out what we aim to achieve over three years. Our plan gives us a clear direction to recover from the COVID-19 pandemic and build our borough back better and fairer. It focuses on how we collectively deliver our services across the council to best support residents, communities, partners and business. It explains what we want to do, how we plan to do it, and how we'll measure whether we're on track to achieve it.

The Council Plan has been developed alongside the work that has taken place for the [Barnsley 2030](#) project through a series of activities with residents, businesses, employees and other key stakeholders across the borough to build a picture of what Barnsley is like now and what we want it to be like by 2030.

We have five priorities which are supported by 12 Outcomes: 63 Critical Success factors (Key Performance Indicators) have been aligned to the Outcomes to allow us to assess our performance against each Outcome.

Our priorities

- **Healthy Barnsley** – People can access all the care and support they need, at the right time and in the right place.
- **Learning Barnsley** – The opportunities available for young and adult learners mean that everyone can fulfil their learning potential, helping them build the skills they need to get into work and progress their careers.
- **Growing Barnsley** – Barnsley is an inclusive place where everyone can find suitable employment, live in a high-quality home that's right for them, and access the fast and affordable digital resources they need.
- **Sustainable Barnsley** – Protecting our borough for future generations
- **Enabling Barnsley** – Our priority to ensure that our council is modern, inclusive, efficient, productive and high-performing.

Q2 Performance

36 Critical Success factors were reported in Quarter 2. 16 Were Rag rated green, 11 were Amber and 9 were red. There are no significant fluctuations to report within priorities at the end of Q1 and RED Rag indicators were distributed across 3 of the 4 priorities, however the highest number of Red and Amber indicators were in the Enabling Barnsley Priority.

Viewing the Report

Progress against our priorities and outcomes at the critical success factor level can be viewed via the new council performance dashboard and can be accessed via the link below. It is important to review the quarterly dashboard as it provides a detailed review of each of our Critical Success Factors including a red, amber and green (RAG) rating. This RAG rating is applied to each of our Critical Success Factors (CSF), which tracks our progress to achieving our vision of Barnsley, the place of possibilities.
