

Best Value Form (Quote Process)

IMPORTANT NOTICE TO OFFICERS

In accordance with CPR 14.8;

For contracts above £50,000 and up to and including £100,000 for goods and services and £250,000 for works the Procuring Officer must seek to achieve competition and for that purpose invite at least three quotations via YORtender.

The Procuring Officer should ensure that the contract has been scored prior to any procurement process in line with the Council's Tiering Tool to assess the level of contract management required once a supplier is appointed.

Where appropriate at least two of the companies invited to quote should be local businesses.

In instances where only a single bid is received, then the Executive Director must satisfy themselves that Value for Money has been achieved .

When inviting suppliers to quote, the officer responsible should ensure they rotate between suppliers where the market permits and allows to ensure a fair, open and transparent process is applied.

The Procuring Officer should complete a Best Value Form (Quote Process) to document the process undertaken.

If the Procuring Officer chooses to publish the opportunity to the open market, rather than a select list of suppliers a Contracts Finder notice must be published if the value of the contract is above £25,000.

The Procuring Officer is responsible for ensuring contracts with an aggregated contract value of £5,000 and above are placed upon the Council's [Contract Register](#) in accordance with legislative requirements. In addition, all contracts awarded above £25,000 must have a contract award notice publicised on Contracts Finder.

It is the responsibility of the Procuring Officer completing this form to ensure it complies with the Contract Procedure Rules (CPR) and any related instructions or guidance contained.

Please complete all sections in full.
