6. Ward Alliance Fund Applications	Action/Decision	Action lead
<ul style="list-style-type: none"> Kendray Together Community Group – The group regularly put on activities for the local community. They plan on doing a summer gala early in the summer as to not impact on other galas. The ward alliance is happy to support this inline with the other galas across the year. Hanging Baskets – The ward alliance signed the WAF that was for the agreed funding to reduce the costs of Hanging baskets to returning residents and businesses from 2023. 	Process	CA

7. Ward Alliance Priorities and Action Plan	Action/Decision	Action lead
<ul style="list-style-type: none"> New Members – After discussing with potential new members, the 10am time for meetings is something of a barrier. A survey will be sent to all WA members to see if a change of time would suit people, and benefit improvement of diversity of membership. SP highlighted that it might be good to contact Starbucks as they are keen on being involved in the community more. Summer 2024 – The WA will be supporting two Ramp Up sessions, providing food to those who attend. KTCG are hosting a summer gala, as are Lavender Court, these are separate and won't be impacting upon one another. Unfortunately, Ardsley Gala may not be happening 	Send out survey	All

<p>due to damage to equipment and things being stolen, and lack of available partners for a successful event. We will be planning this for 2025 from September 24.</p> <ul style="list-style-type: none"> • Artwork – The BT Telecommunications boxes have been mapped, but applications have been closed for now by BT, so this will have to wait until they reopen later in the year. We will still look to discuss with volunteers' potential boxes and their art ideas • Environment – The plaques are up for the majority of our hanging basket project with a couple of issues, we have been told that the hanging baskets will be 17th/18th June for our area. The WA have been asked if they can support the pathways in Ardsley, this is something they will look at supporting, but would like to ensure it is fine for us to do. Discussed a lot of issues in the environment at the moment, that the WA will look to support. Ash Grove looks a lot better for the work with Twiggs, but more work will go this way. • Christmas – The WA will look to support Brass Bands in at least Aldham and Ardsley Church after the success of last year with the residents. They will look at the cost of Mini-bus for local people who maybe can't get to the church too. The WA would like to work with Barnsley Academy again, like pre-covid to work on intergenerational projects. The will also look at Christmas tree and From the Heart Project • Projects – Halloween will see the WA do a full Scarecrow competition across the ward with Kendray Together Community group. Continuation of windows packs too. 	<p>Discuss with local people in preparation of permissions</p> <p>Follow up with appropriate teams for pathways</p> <p>Identify priorities for Twiggs</p> <p>Put a plan together for Christmas and look at potential costs</p> <p>Plan artwork and look to work for potential partner prizes</p>	<p>CA & All</p> <p>CA</p> <p>All</p> <p>CA</p> <p>CA/CW</p>
