

BARNSELY METROPOLITAN BOROUGH COUNCIL

North East Area Council

1st June 2017

Report of North East Area Council Manager

Agenda item: 9

North East Area Council Community Magazine, and the Love Where You Live Community Events update

1. North East Area Community Magazine – Village Life

The first proof of the magazine will be sent to BMBC's Communications Department on May 22nd, 2017. A meeting will then be arranged with a Councillor representative from each of the four Wards to consider the printed version of the first proof and any alterations, or amendments will be made. The final proof will be submitted by June 16th 2017.

With regard to delivery of Village Life the areas which are covered by 'full' post codes will be delivered by Royal Mail. These are Royston, Cudworth, Shafton, Grimethorpe and Brierley. The remaining areas will be delivered by a local leaflet delivery firm and community groups. Delivery of the Village Life magazine will begin week commencing July 10th 2017.

The estimated delivery cost for the summer addition is £2,500

2. Love Where You Live Community Events update

Love Where You Live is all about inspiring people who live, and work, in the local areas to consider ways of becoming involved and improving the communities that they live in. A series of Volunteering events and opportunities have been organised during the month of June to encourage Volunteering in the local Communities across the North East Area Council. The series of activities listed will encourage people to make a tangible difference, and to take a pride in their local area.

The list of events (Appendix B) will be publicised through Face Book and Twitter, at Key Access areas and in Community Notice Boards.

3. Recommendations
