

2018/19 WARD FUNDING ALLOCATIONS

For 2018/19 each Ward will have an allocation of £10,000 Ward Alliance Fund.

50% of the funding requires a match-funding element of volunteer time that directly relates to the project in question, or other match funding resources (such as free room hire or donations of goods and equipment). This reflects the fact that the fund is intended to support volunteering and social action in our communities.

50% can be used for initiatives that have no volunteer element – such as the purchase and installation of benches, hanging baskets or other street furniture.

Area Councils have the option to allocate up to £20,000 from the Area Council budget to each of their Ward Alliances. This is discretionary to each Area Council, and Area Council's may also choose not to allocate any funding to ward level.

The carry-forward of any remaining balances of the 2017/18 Ward Alliance Fund will be combined and added to the 2018/19 Allocation, to be managed as a single budget with the above conditions.

All decisions on the use of this funding need to be approved through the Ward Alliance.
