Officer Decision Record Template

Record of Decision of the Corporate Asset Manager

Subject: **Portable Waste Compactors**

Based on the requirements to dispose of waste from the Markets during the period of redevelopment where various access and storage will not be available we will procure a portable general waste compactor, on a lease basis.

The portable compactor will allow relocation, if required, and not incur the cost or delay of creating a base.

The existing compactors will be sold and a longer term waste strategy will be developed as part of the Glass Works Asset Management Strategy.

Authority

Approved under delegated authority, based on an estimated spend of approx. £8-10k per annum.

Decision Taken

To go to market to procure a portable compactor.
