Officer Decision Record Template

Record of Decision of Martin Beasley (Group Leader – Enterprising Barnsley) taken in consultation with Paul Clifford (Head of Economic Development).

Subject

The Enterprising Barnsley Team have a budget ring fenced every year to procure a framework of business consultants to provide support to growing businesses in the borough.

The new additional jobs which are created through the business interventions count towards the corporate indicators, currently the Enterprising Barnsley team have to help create an additional 1250 jobs per year in the borough and this support will be a key driver to help achieve its target.

Authority

The funding allocation forms part of the Head of Economic Regeneration annual 'resource envelope' and funding / targets are devolved to the Group Leader – Enterprising Barnsley to deliver on behalf of the business unit.

Decision Taken

It has been agreed between the Head of Economic Regeneration and Group Leader – Enterprising Barnsley that allocating £120k of budget from the Enterprising Barnsley team budget (50112) to procure a consultancy framework for a period of 12 months would be an expedient and effective way to help support businesses in the borough and deliver the corporate indicator targets.

Date of Decision

6th February 2018.
