

CHILDREN, YOUNG PEOPLE'S PLAN MONITORING

THE VISION OF THE BARNSELY CHILDREN AND YOUNG PEOPLE'S TRUST - '365 – MAKE EVERY DAY COUNT FOR EVERY CHILD'

Strong Resilient Families
For all Barnsley's children to attend a school that has been graded as 'good' or 'outstanding' by Ofsted
Success in learning and work

STRATEGIC PRIORITIES TO MEET THE VISION OF THE BARNSELY CHILDREN AND YOUNG PEOPLE'S TRUST:

1. Keeping children and young people safe
2. Improving education, achievement and employability
3. Tackling child poverty and improving family life
4. Supporting all children, young people and families to make healthy lifestyle choices
5. Encouraging positive relationships and strengthening emotional health
6. Improving staff skills to deliver quality services

ACHIEVEMENT OF THIS VISION WILL SEE:

Children and young people living in a secure environment, where they feel safe, listened to, supported and respected.

Children, young people and families will make healthy lifestyle choices reducing health inequalities that exist nationally and within the borough. They will be emotionally well and resilient.

Children and young people will enjoy life, its opportunities and achieve their full potential. There will be many and varied opportunities within communities for children and families from infancy to adulthood.

Young people will demonstrate enterprising behaviours, have access to and secure good jobs so that they are able to contribute to the economy and achieve aspirations for a thriving Barnsley.

Children and young people will be and become active citizens who contribute to creating a better Barnsley, achieving Town Spirit.

PRIORITY AREA FOR ACTION 2019 - 2022

EARLY HELP

STRATEGIC PRIORITY(S) - 1. KEEPING CHILDREN AND YOUNG PEOPLE SAFE & 3. TACKLING CHILD POVERTY AND IMPROVING FAMILY LIFE

KEY AREAS OF ACTION

	Details of how progress will be achieved	TEG Reporting Period			Supporting Evidence held by Services	Lead Service
		June 2019-Sept 2019 Progress Update	Sept 2019 - Dec 2019 Progress Update	Dec 2019 - March 2020 Progress Update		
	Describe what work has been completed this quarter to achieve key ambitions. Please summarise each area appropriate					For consultation with TEG members
Provide support at the earliest opportunity (Right support, at the right time, in the right place)						Education, Early Start & Prevention /Commissioning - Healthier Communities / Trust Partners
Reduce risk of needs escalating and specialist services being required.						CYP Trust Partners
Taken from next steps - page 10 of the plan. Maintain effective step up and step down from Children's Social Care, ensuring that families sustain the gains they have achieved following support.						All Relevant Trust Partners
Work with families by engaging them in Early Help to support their children and young adults with special educational needs, complex health issues or disabilities.						All Relevant Trust Partners
Embed and continue to develop the range of interventions and services available to support families with children and young people pre-birth to 19 years old (25 years old if the young person has a disability). This includes a strong focus on vulnerable adolescents.						All Relevant Trust Partners
Increase the range of partners identifying, assessing and implementing high quality Early Help Assessments to ensure the right support is provided at the right time.						Communities / CYP Trust / Partners Services
Continue to develop and implement health and resilience plans to reduce inequalities						All Partners & Education, Early Start & Prevention
Focus on improving speech, language and communication skills from an early age						All Relevant Trust Partners
ADDITIONAL AREAS FOR ACTION TO BE AGREED WITH COMMUNITY DIRECTORATE TO SUPPORT THIS PRIORITY BASED ON THEIR CURRENT WORK PROGRAMME						
						Communities

PRIORITY AREA FOR ACTION 2019 - 2022

EMOTIONAL HEALTH AND WELLBEING INCLUDING ACCESS TO THERAPEUTIC SUPPORT

STRATEGIC PRIORITY(S) - 5. ENCOURAGING POSITIVE RELATIONSHIPS AND STRENGTHENING EMOTIONAL HEALTH

KEY AREAS OF ACTION

	Details of how progress will be achieved	TEG Reporting Period			Supporting Evidence held by Services	Lead Service
		June 2019-Sept 2019 Progress Update	Sept 2019 - Dec 2019 Progress Update	Dec 2019 - March 2020 Progress Update		
	Describe what work has been completed this quarter to achieve key ambitions. Please summarise each area appropriate					For consultation with TEG members
Reduce the waiting times between initial assessment and treatment for children's mental health.						CCG
Expand access to community-based mental health services to meet the needs of more children and young people at an earlier stage.						CCG / CYP Trust Partners
Acknowledge the pressures young people have said they face, and work with them on the solutions to improve mental health and wellbeing.						CYP Trust Partners
Provide mental health training to the wider children's workforce across universal services (e.g. Health Visitors, Public Health Nurses) to enable more appropriate and timely interventions to occur.						CCG / Providers
Focus on how we can improve the experience for all children who transition from children's services to adult services.						All Related Services
Work to provide open access activities for all young people to encourage positive social interactions including progressing plans to build an 'Onside Youth Zone'.						Education, Early Start & Pre
Develop a greater understanding around the impact of social media on children, young people and families.						All CYP Trust as appropriate
