1 **Welcome**

The Mayor updated Members on general progress in respect of a number of matters since the last meeting.

The Mayor noted he hosted the region's first Transport Strategy event recently and was pleased how the excellent turnout had come together to discuss how we can build a transport system that is fit for the 21st century and one that has active travel right at its heart.

It was noted Clive Betts has now formally launched the Bus Review with his appointed expert panel of commissioners having held their first meeting and called for evidence. The Mayor encouraged stakeholder partners and residents to engage with the review by submitting evidence, completing the Bus Survey and working with Clive and his team. It was suggested we should make sure we leave no stone unturned in understanding how we can deliver a bus service that best meets the needs of our communities.

Members were informed of the Mayor's support for the expansion of the Children's University in the region. It was noted that, led by Sheffield Hallam University, but working in partnership with local councils, this initiative shows that we're a region in the vanguard of early years policy, both in the 'thinking' but also the 'doing'.

The Mayor informed Members he had continued to make sure our region has a voice in Westminster, noting he had led a Parliamentary debate, supported by many Members of Parliament from across South Yorkshire, making the case to the Government for clarity on how the UK Shared Prosperity Fund, the replacement fund for both European and Local Growth funding, will be allocated and how it will work.

The Mayor thanked the Directors of Public Health for their support in joining a discussion here about how we can work together to tackle the Excess Winter Deaths issue.

The Mayor noted he had pressed for but was yet to receive a response from the Government to our request for the release of funds to enable us to deliver the Early Intervention Support Pilot.

The Mayor noted Brexit continues to create uncertainty which is damaging for our region and was due to meet with the Brexit Minister in the near future.

Finally, on the issue of devolution, it was noted that following James Brokenshires' response to our letter, he is working with colleagues around the table on the next steps and will update stakeholders as soon as we have further clarity.

A question was received from Mr Nigel Slack, and delivered as follows:

“Having noted the proposed changes to the ‘Code of Corporate Governance’, I was prompted to check the ‘Members Code of Conduct’ over concerns recently experienced with such issues within my own local council. Are there any checks made, with respect to proposed members of committees that ensure they meet the requirements of the Code of Conduct? In particular are checks made against evidence of breaches of the Nolan Principles or of failing to declare interests correctly?”

Members were advised the proposed options for consideration, suggested in light of the review of the current strengths and weaknesses of the appraisal process are; the appointment of an independent Chair of the Appraisal Panel (suggested as the LEP Board Vice Chair with the programme portfolio lead), to ensure there is no loss of banking, commercial financial or investment expertise within the appraisal process for Business Investment Fund grants and loans by expanding the current CIAT approach to include business financial expertise, to produce, for decision makers, of a more detailed scheme overview and appraisal summary in addition to a clear assurance opinion and enable access to full business cases and appraisal recommendations (noting the need to balance commercially confidential information with transparency requirements for publication of papers) and to formalise and publish dates for assurance panels to be at least monthly or maintain the current 2 weekly approach.
