12.0 THE CORPORATE PLAN AND THE COUNCIL'S PERFORMANCE MANAGEMENT FRAMEWORK

- 12.1 One of the priority actions within the Borough's Children and Young People's Plan (2019-22) is to promote inclusion and engagement particularly among disadvantaged groups of children and young people. The Care4Us Council fulfils a valuable role in placing the voice of children in care at the forefront of planning and commissioning services which can improve their wellbeing and potential.
- 12.2 Within the Corporate Plan, among our ambitions for such children and young people is to continually ensure they are placed in arrangements which will enable them to receive the love and care, enabling them to be safe from harm and as a result, be in a better position, including through improved attendance at school, to thrive and

achieve their potential both as participants in the employment market and as active citizens in their communities. As part of its inspection, Ofsted reported that:

“Services for children in care and care leavers are good and children’s outcomes improve because of the support they receive from (social) workers. Children in Barnsley benefit from a committed and pushy corporate parent with a determination to raise the aspirations of all children, families and the communities in which they live.

In addition, Ofsted noted that:

“There is an active and vocal children in care (Care4Us) Council which has worked hard to influence service development through its annual “takeover of the service” event and on such areas as the Pledge, peer mentoring, recruitment for foster carers’, presenting to the Corporate Parenting Panel and developing documents for reviews”.

13.0 PROMOTING EQUALITY, DIVERSITY AND SOCIAL INCLUSION

- 13.1 The Barnsley Care4Us Council is enriched by the contribution of representatives from groups of children with protected characteristics. This helps ensure their unique perspective informs the planning and commissioning of services which can meet their specific needs as part of an inclusive approach which fosters equality and eliminates any inadvertent discrimination.

14.0 TACKLING THE IMPACT OF POVERTY

- 14.1 The Care4Us Council ensures that the voice of children and young people in care and care leavers is heard and acted upon. As part of our commitment to these young people, the Council has, subsequently, taken vital steps to enable them to become more resilient to the potential impact of poverty and deprivation, by, for example, ring-fencing apprenticeship opportunities and offering exemptions from the payment of Council Tax to care leavers living in independent accommodation up to the age of 25. Providing this level of support has made a difference to many young lives and given young people the confidence to build on their strengths.

15.0 TACKLING HEALTH INEQUALITIES

- 15.1 The Council and its NHS partners ensures that the health needs of children in care and care leavers, are regularly assessed and their needs met.

16.0 REDUCTION OF CRIME AND DISORDER

- 16.1 In considering the needs of children entering care, the Council ensures, so far as possible, that placements, such as kinship arrangements are made and where this is not deemed to be appropriate that the next step, as part of a graduated response, should be to provide loving, stable homes with Local Authority foster carers’. Placements in residential facilities are only considered where this is the most appropriate way of meeting complex needs and should be close to home, as part of a risk sensitive approach which places the protection of young people from harm as of primary importance.

17.0 RISK MANAGEMENT ISSUES

17.1 There are no unanticipated risks emerging through consideration of this report.

18.0 HEALTH, SAFETY AND EMERGENCY RESILIENCE ISSUES
