Record of Decision of the renewal of A098 - NTT DATA FIGTREE SYSTEMS  
Service Director Finance, (S151 Officer)

---

Subject

To renew the contract for the provision of the Insurance Claims Management system. Work will commence with the Insurance department over the next 6 months to check on the suitability of this system and test to see if it is fit for purpose. If after investigation we find this system is no longer suitable we will visit the market to review a replacement solution. This project will require significant input from IT and procurement.

Authority

The authority to approve the recommendation set out above in relation to the renewal of the Council's Insurance Claims Handling System, in line with the Director's Delegated Officer authority powers.
