- They wanted to build resilience in the community.
- They wanted to raise aspirations for the young people of the North Area.
- That any offer developed should be available in the community rather than in schools.
- Focussed on preventing risky behaviour in young people and improved understanding of the long term consequences of participating in risky behaviour at a young age.
- The working group agreed with a 'Universal Offer' and 'Universal Plus', but felt that the high risk young people were already catered for by existing services Inc. Targeted Information Advice and Guidance (TIAG) and Targeted Youth Support (TYS).

4.9. The following themes were discussed:

- Safe
- Happy
- Healthy
- Achieve

Members were not able to identify which theme they wished to prioritise. It has been suggested that this work should tie into the Town Spirit themes.

5. On the 24th June a stakeholder workshop was held and the Roundhouse Lifelong learning Centre. 26 stakeholders including representatives from Carlton Academy, CHAMS, voluntary and community sector, Youth Justice Service, School Nursing attended. This was a large stakeholder workshop. Events like this are increasingly rare in the public sector and attendees were keen to point out how important the networking opportunity was for their work. Councillors in attendance were: Cllr Leech, Cllr Platts, Cllr Tattersall and Cllr Pickering

5.1. Workshop Summary – Identified Gaps and Opportunities

Gaps in provision and how stakeholders believe that the Area Council can add value:

- ❖ Emotional Resilience
- ❖ Transition age (8-13)
- ❖ Empowerment (Mentoring and Peer Support)
- ❖ Risky Behaviour

N.B. Family Centred approach was also raised repeatedly. It is felt that where intensive whole family support is required, resources are already in place to address need. However it may be worth exploring the possibility of some family centred activities as part of a wider model for commissioning.

6. Stakeholder Co-Design Workshop – 12th September 2019

6.1. On the 12th of September a co-design workshop was held at Barnsley Town Hall. This was the biggest workshop ever host by the North Area Council with 31 stakeholders in attendance. Councillors in attendance were: Cllr Leech, Cllr Charlesworth, Cllr T Cave, Cllr Newing and Cllr Tattersall

6.2. To set the tone the work shop started with a vision that a participant from the 24th June contributed:

- 6.5..2. To have the biggest impact on the family unit, whole family activities produce longer lasting more sustainable changes for children and young people.

6.6. The workshop demonstrated that production of a service specification is a complicated and time consuming process. Each person involved is viewing the priorities through a different life lens and therefore range of solutions were identified.

- 7.1. Coaching Model – Intensive but with a legacy and peer support incorporated (Both the Summer Internship delivery model and Fit Reds delivery model were discussed).

8. Risks

8.1. Duplication of the new Children's Mental Health Provision

The Area Manager is aware that the CCG have been doing consultation with regarding young people's mental health services over the past 6 months in order to design updated provision. The Area Manager has obtained a copy of the new Children and Young Persons Mental Health Service specification to ensure that there isn't any duplication.

8.2. Duplication of the town centre based 'OnSide Youth Zone'

The Area Manager has observed a presentation from OnSide Youth Zone's Partnership Development and Community Engagement Officer regarding the proposed service offer. The service suggested for the North Area will not duplicate the proposed offer.

8.3. Needs based commissioning

There are 12 primary/junior schools in the North Area and plus Darton Academy, Holy Trinity and Springwell. It is important to note that many young people from the North Area attend Outwood Academy Carlton.

To achieve the best outcomes with the budget envelope it is recommended that the proposed service is only offered to the six schools who demonstrate the highest levels of need. This recommendation is included in the specification, circulated November 2019.

9. Financial Implications of the contract

- 9.1..1. The financial implications are £90,000.00 p.a. the contract would be let on a two year, plus one year basis.
- 9.1..2. It is proposed that the contract should start on the 1st April 2020.
- 9.1..3. Total contract value based on the proposals equates to £270,000.00 over three years from April 2020.

10. Procurement Update

- 10.1. The opportunity is currently out to market. However the advertisement was delayed. This will mean that it will not be possible for service to commence until May 2020 at the earliest.
