Record of Decision of the Group Leader Estates

Subject: Amendments to the 2020-21 School Condition Programme.

BACKGROUND

The school condition programme was approved at cabinet on the 15th April 2020.

At the time of submitting the report, the Department for Education (DFE) had not announced the 2020-21 School Condition allocation. As a result an indicative budget figure, based on the funding received in 2019-20, was used as a base to determine the programme.

On the 16th April the DFE announced the 2020-21 allocation for Barnsley that amounted to £757,526. This was a reduction of £107,691 on the allocation received in 2019-20.

As stated within the original report, the school condition programme has been amended in line with the funding allocated by the DFE.
