

Record of Decision of the Service Director for Regeneration and Culture

---

Subject

This is a specific offer delivered in partnership with Mastercard that allows Barnsley to operate a giftcard scheme that national chains and independent business can all take part in. The scheme is ringfenced to the Barnsley borough so that businesses across the borough can choose to take part and spend is retained locally. The delivery timescales linked to COVID recovery require this to be live to take advantage of the Christmas spend and ensure this is retained in the borough.

The decision has been taken to progress with the roll-out of this scheme using COVID recovery budget allocated to town centre and principal towns recovery priorities.

Authority

*Delegated Authority decision based on spend*

Decision Taken

*Approval to use £68,000*

Date of Decision

September 2020

Elected Member Conflicts of Interest

*Not applicable*
