

Record of Decision of the Service Director - Finance

Subject

This year the Council will be offering free flu vaccinations to all BMBC employees and elected members who are not already eligible for a free NHS flu vaccination, with the aim of reducing sickness levels to ensure greater resilience for the provision of BMBC services and to minimise the potential burden on GP surgeries / hospitals etc. In order to encourage uptake the Council will be offering vouchers to employees so there is no up-front cost.

Authority

The decision to provide employee flu vouchers was taken by SMT on 1st September 2020.

Decision Taken

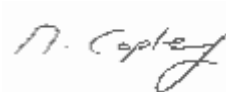

To identify an appropriate supplier for the provision of employee flu vouchers.
