

## Officer Decision Record Template

Record of Decision of the *Paul Brannan* taken in consultation with the Executive Director Adults and Communities.

### Subject

*As part of the national response to the Coronavirus Outbreak and the fact that South Yorkshire has a rising number of cases, including the escalation into Tier 3, Very High from Saturday 24th October the Council are commissioning an existing provider of resources to supply COVID Marshalls. This will be for a period of either 16 weeks or 24 weeks dependant on the need as time progresses.*

*The existing provider covers a wide range of duties and understands the local communities and areas of Barnsley. There is significant urgency in deploying resources to manage COVID issues and there is limited time to conduct a procurement process.*

*The contract will mitigate against the lack of compliance of COVID restrictions. Implications if we fail to commission this is as follows: Compounded public health crisis, damage to reputation of the council, failure to deliver our community response strategy.*
