4. Financial Position

- 4.1. At the end of 2020/21 there was a significant **underspend of £130,266 (includes underspend from previous years)**. The budget was varied during the 2020/21 year due to Covid-19 adjustments.
- 4.2. **The forecast for 2021/22 shows that the underspend** (including underspend from previous years) **will reduce to £63,266**. This is because the in-year balance exceeded the annual budget by approximately £67,000.

4.3. Outlined annual commitments from April 2021:

Contract	Proposed Spend 2021/22
Anti- Poverty – Community Outreach	£95,000
Creating a Cleaner, Greener Environment in Partnership with Local People	£85,000
Housing Migration Officer – Grade 6 (+laptop and phone)	£35,000
Stronger Communities Grant	£40,000
Social Isolation and Cold Homes Project (+hOurbank) – 6 months remaining on contract	£40,000
Health and Wellbeing Project (*Under development)	£45,000

Devolved funds to Ward Alliances (£5k per WA)	£20,000
Fleets Nature Park	£10,000
Age UK Support for Older People	£,7,000
TOTAL	£467,000

4.4. Provided that the Area Council continues to commit funding as outlined in Appendix 1, the total spend profiled for 2021/22 is £467,000.

4.5. **As a result of delays to project during 2020 the underspend will be reduced but not as much as originally intended. It is recommended that some of this funding is used to increase overall grant value for the new 'Connecting Communities' grant fund over a 2 year period.**

5. Commissioning programme from April 2021

5.1. Appendix 1 lays out the proposed spend. On the 23rd November 2020 the North Area Council agreed to the forward plan for years 2020/21 and 2021/22. Following today's meeting this programme of spend is set to change.

6. Risks

6.1. The proposed budget would take the Area Council approximately £67,000 over budget pa for 2021/22. However taking into account the current under spend, the investment profiled in Appendix 1 would be feasible.

7. Next Steps

- 7.1. Following a decision on 3.3 Social Isolation ‘Connecting Communities’ Grant. The Area Manager will work with the Procurement Team to advertise the opportunity. The Grant Panel will be updated and invited to participate in the allocation of funding.**
- 7.2. Ensure that the Area Manager is alerted to any proposed commissioning profile variations so that feasibility considerations can be made at the earliest opportunity.**
