## 4. Financial Position

- 4.1. At the end of 2020/21 there was a significant **underspend of £130,266 (includes underspend from previous years)**. The budget was varied during the 2020/21 year due to Covid-19 adjustments.
- 4.2. **The forecast for 2021/22 shows that the underspend** (including underspend from previous years) **was profiled to reduce to £66,781.00**. This is because the in-year balance exceeded the annual budget by approximately £34,500.00.
- 4.3. The Area Manager has identified additional funds totalling £20,000 which will be utilised to support the covid recovery and social isolation priority commitments of the Area Council. Hence the increase in underspend in the current budget projections.
- 4.4. Outlined annual commitments from April 2021:

<b>Contract</b>	<b>Proposed Spend 2021/22</b>
Anti- Poverty – Community Outreach	£95,000
Creating a Cleaner, Greener Environment in Partnership with Local People	£85,000
Housing Cohesion Officer – Grade 6 (+laptop and phone)	£35,000
Stronger Communities Grant	£40,000
Social Isolation and Cold Homes Project (+hOurbank) – 6 months remaining on contract	£40,000
Children and Youth People Resilience Grant	£90,0000
Devolved funds to Ward Alliances (£5k per WA)	£20,000
Fleets Nature Park	£10,000
Age UK Support for Older People	£7,000
Connecting Communities Grant 2021-2024 £100,000 per annum for 2 years	£12,500
<b>TOTAL</b>	<b>£434,500</b>

- 4.5. Provided that the Area Council continues to commit funding as outlined in Appendix 1, the total spend profiled for 2021/22 is £434,500.00
- 4.6. **As a result of delays to project during 2020 the underspend will be reduced but not as much as originally intended. It is recommended that**

**some of this funding is used to increase overall grant value for the Stronger Communities Grant from £20,000 to £40,000 over 2022-23.**

**5. Commissioning programme from April 2021**

- 5.1. Appendix 1 lays out the proposed spend. On the 23<sup>rd</sup> November 2020 the North Area Council agreed to the forward plan for years 2020/21 and 2021/22. This programme was varied at the April 2021 meeting.

**6. Risks**

- 6.1. The proposed budget would take the Area Council approximately £34,500.00 over budget pa for 2021/22. However taking into account the current under spend, the investment profiled in Appendix 1 would be feasible.

**7. Next Steps**

- 7.1. Future commissioning is on hold until the outcome of the welfare reform review is known. This will inform the commissioning budget and subsequent project development.
- 7.2. Ensure that the Area Manager is alerted to any proposed commissioning profile variations so that feasibility considerations can be made at the earliest opportunity.
