202. Crisis in the Ukraine

Councillor Sir Steve Houghton CBE (Leader of the Council) reminded Members of the Council that since 1956 there had been links between the mining town of Barnsley and the mining town of Gorlovka in Donbas region of south eastern Ukraine. Those links had been further strengthened in 1987 when a formal twinning arrangement had been agreed. Those links had developed over many years with support from the European Union and the Council was proud to have had friends in that part of the world who had come to Barnsley and indeed many Members from the Council had also made similar visits to Gorlovka.

Unfortunately, 8 years ago a civil war had broken out in the east of the country and the links since that time had been no more. Today, very sadly, the state of Russia under Vladimir Putin had launched a full scale invasion not just of the Donbas region but of Ukraine as a whole.

His sympathy went out to the people of Gorlovka as it was the innocent, the men women and children who were not involved in the armed forces or the armed conflict who would be the biggest victims of everything that was happening today. He, therefore, sent his good wishes (if those were the right words to say) to those people and he hoped they would come through this incredibly difficult time. He condemned the actions of Russia and Vladimir Putin in doing what they were doing as there was no justification for this whatsoever and he trusted that the western allies could find ways and means of freeing the people of Ukraine from this oppression. He also hoped that our friends and colleagues in Gorlovka could once again enjoy the freedom that they deserved away from tyranny and terror and that at some point in the future such friendships could be restored.

It was an incredibly difficult time and anything that was thought to be difficult in this country, paled into significance, when compared to what the people of the Ukraine were now having to endure.

In concluding, he thanked the Mayor for allowing him to address the Council. His heart went out to the people of the Ukraine and particularly to the people of the twin town Gorlovka and he hoped that one day this matter could be resolved and the freedoms and democracy of the Ukrainian state could be reinstated as they should be.

Many other Members echoed the Leaders comments when addressing the Council on the following budget item.

203. Declarations of Interests

Councillor J Higginbottom declared a non-pecuniary interest in in any matters relating to the South Yorkshire Mayoral Authority in view of his employment for Dan Jarvis MP and South Yorkshire Mayor.

204. Suspension of Standing Orders

Moved by Councillor Sir Steve Houghton CBE – Seconded by Councillor Andrews;
and

RESOLVED that Standing Order No 13(5) of the Council be suspended in respect of the consideration of the Budget insofar as it relates to restrictions on Members speaking more than once.

205. Medium Term Financial Strategy 2022-25 (Cab.9.2.2022/6)

2022/23 Budget Recommendations, Council Tax and Treasury Management Strategy and Policy Statement

The 2022/23 Budget Proposals, proposed Council Tax and Treasury Management Strategy and Policy Statement 2022/23 were:

Moved by Councillor Franklin – Seconded by Councillor Howard

The following Amendment, submitted in accordance with Standing Order No 8, was:

Moved by Councillor Kitching – Seconded by Councillor Fielding:

The Council's Medium-Term Financial Strategy Budget Proposals 2022/23

The Liberal Democrat group acknowledges with thanks the hard work of the finance team in again bringing forward a balanced budget, despite the ongoing challenges brought the Covid crisis and lack of funding for local government.

As in previous years we recognise that this is a financially well managed council and that prudent decisions made by the finance team continue to allow the Council to remain in good financial shape.

Our amendments therefore do not seek to undermine the budget as a whole, but to bring focus to some key areas which we – and the communities we serve - believe require more investment and prioritisation going forward.

We seek to formalise the commitment to investing in road safety with a borough wide scheme of 20mph zones outside schools; to invest in on street electric vehicle charging points; to provide each ward with a delegated budget to tackle anti-social behaviour and crime via a Community Street Safety Fund; to begin to introduce segregated recycling litter bins in public spaces to improve recycling options away from the home.

1. 20 MPH zones outside schools

We note that:

- i. Road safety remains a huge priority for residents, particularly where it concerns children.
- ii. Initiatives to lower speeds and therefore reduce accidents have been a focus area of our previous budget amendments.
- iii. We therefore welcome the pilot schemes proposed over the last 12 months, including the “Neighbourhood Road Safety Initiatives” and plans for advisory 20mph zones outside 5 schools in the borough.

- iv. We also welcome the recent proposals from the Cabinet Member for environment and transport to further roll out the 20 mph advisory limits outside schools across the borough.
- v. However, it is our view that these plans should be formalised via this budget.

We therefore propose:

- a. Using some of the £2 million set aside for capital investment in Highways improvements to commit to the borough wide scheme of advisory 20mph zones outside all schools across the borough (where the school governing body or equivalent are supportive and in agreement that such a measure would be beneficial outside their school).
- b. Noting the estimated cost based on the proposed pilot; to implement this at all primary schools would cost 77 x £9k = £693k; the 13 secondary & special schools a further £117k, making a maximum spend of £810k in total.
- c. On P133 adding to the wording “Monies set aside for improvements on the borough’s highways” the wording “... including borough wide roll out of advisory 20mph zones outside schools...” into Appendix 1 General Fund.

2. On street electric vehicle charging points (EVCPs)

We note:

- i. The opportunities and challenges posed by the Council’s zero 45 target for the borough.
- ii. The efforts made by the Council to install ECVPs in various locations across the borough – including Town Centre parking spaces and across the principal towns, using match funding from Office for Zero Emission Vehicles (OZEV) and the South Yorkshire Mayoral Combined Authority (SYMCA).
- iii. That electric vehicles (EVs) remain prohibitively expensive for many residents.
- iv. That despite this a growing number of people – particularly young people – are keen to make the change to an EV to play their part in tackling the climate crisis and reducing their own emissions.
- v. Access to EVs however is further limited for residents who do not have off road parking. This includes people who live in terraced houses and flats and affects those in privately owned, privately rented and social housing – including Berneslai Homes. This is because they are unable to charge their EV at home without running a cable across a pavement, causing a trip hazard.
- vi. The efforts made by Portsmouth Council to tackle this, who have already installed 30 on street EVCPs and have plans for another 124 (at a cost of £226,000, or £1823 per unit) in their upcoming budget. These connect to the power supply in on street lampposts and provide a charging bay for 1 or 2 vehicles.
- vii. That installation of on street EVCPs within Barnsley borough would open up the possibility of investing in an EV for residents with no off-street parking.

- viii. Responsibility for all running and maintenance costs and revenue earned could reside with a third-party contractor at no financial risk to the council – as is already the case with the existing scheme of car park based EVCPs.

We therefore propose:

- d. Using some of the £2 million set aside for capital investment in Highways improvements to commit to a pilot scheme of 50 on street EVCPs to be installed across the borough (at an estimated cost of £2000 per unit, requiring initial capital investment of £100,000).
 - e. Seeking further match funding investment from SYCMA to support this scheme (as we have reached our threshold of funding from OZEV).
 - f. On P133 adding to the wording “Monies set aside for improvements on the borough’s highways (“... including borough wide roll out of advisory 20mph zones outside schools...”)
- the wording “... and a pilot scheme of 50 on street electric vehicle charging points” into Appendix 1 General Fund.

3. Community Street Safety Fund

We note:

- ix. Following a number of tragic high-profile cases in the last year, improving safety on our streets is a priority for residents.
- x. The council is currently working to tackle crime, particularly burglary, muggings and anti-social behaviour, and to make people feel safer in areas such as Locke Park, with a £115k investment into lighting and other measures.
- xi. That residents and elected members across the borough are able to identify problem areas within their own communities that could benefit from similar, smaller scale improvements.
- xii. As Liberal Democrats, we believe in taking decision making closer to the communities we serve, and wish to more fully utilise the role of the Area Councils and specific ward members in doing so.

We therefore propose:

- g. Setting up a Community Street Safety Fund which allocates a small ring-fenced budget to each ward; to be administered via the Area Councils.
- h. That recommendations for spending that fund will be led by ward members; alongside local policing teams, safer neighbourhoods, input from local residents and the area council officer.
- i. We acknowledge that these proposals will be dependent upon efficiency savings being realised during the 2022/23 financial year through proposal PL1 Town Centre Buildings Review (P108) releasing £500k of revenue spend.
- j. An allocation of £19,000 per ward would utilise £399,000 of this money.

k. That the budget document to be amended as necessary to formalise these plans.

4. Segregated recycling litter bins

We note:

- xiii. That an ability to recycle a wide range of waste in a wide variety of locations is a growing priority for residents.
- xiv. The welcome recent expansion of the range of plastics that can be recycled in kerbside brown bin collections.
- xv. That segregated litter bins are common practice in many locations, particularly on the continent, and that the normalcy of these bins drives habit-based recycling behaviour.
- xvi. In 2021 the Youth Council requested support with a proposal for the recently improved Sugden's recreation ground in Pogmoor to serve as a trial site for recycling litter waste, via segregated litter bins.
- xvii. That this proposal has not progressed any further, but remains a priority for Youth Council members.

We therefore propose:

- l. Spending the residual £101,000 released by bringing forward the efficiency saving detailed in point i above on a trial of segregated recycling litter bins.
- m. Working with the Service Director for Environment and Transport to determine how many bins this would cover and where best to site these.
- n. A suggestion to start with the bins in the Sugden's recreation ground in Pogmoor as proposed by the Youth Council, and the newly regenerated Town Centre.
- o. That the budget document to be amended as necessary to formalise these plans.

After a lengthy and full and frank discussion the Amendment was put to the vote and was lost.

The original motion was then put as the Substantive Motion and:

1. 2022/23 Revenue Budget, Capital Programme and Council Tax

RESOLVED:

- a) that the report of the Service Director Finance (S151 Officer), under Section 25 of the Local Government Act 2003 at **Section 1** be noted, that the 2022/23 budget proposals be agreed and that the Chief Executive and Senior Management Team (SMT), in consultation with Cabinet Spokespersons, submit, for early consideration, detailed plans that ensure the Council's ongoing financial sustainability in 23/24 and beyond.

- b) that the revised Medium Term Financial Strategy (MTFS) and Budget Forecast for 22/23 to 24/25 contained at **Section 3** (supported by the suite of background papers in **Sections 3a – 3d**) be noted and that these are monitored as part of the arrangements for the delivery of the MTFS.
- c) that **£3.8M** of additional one-off funding received in the 2021 Local Government Finance Settlement be set aside pending further assessment of the emerging financial risks identified in the MTFS at **Section 3**.
- d) That provision of £10.7m to cover anticipated demographic and other cost pressures in Children’s Social Care, Adult Social Care, Homes to School Transport and Waste Services be approved for inclusion in the budget as identified at **Section 3**.
- e) That additional service investment of £7.4m including Neighbourhood Services (grass cutting and clean up teams), Car Parking and the Glassworks be approved for inclusion in the budget as identified at **Section 3**.
- f) that the proposed efficiency savings in 22/23 highlighted in **Section 3** and detailed at **Section 5a** be approved for implementation and that the 23/24 efficiency savings also contained in **Section 5a** be noted with final approval to take place as part of the 23/24 budget setting process.
- g) that the Council’s reserves strategy and updated reserves position at **Section 3b** be noted.
- h) that the proposed changes to the 22/23 fees and charges policy and accompanying schedule of charges set out at **Section 3d** be approved.
- i) to submit to Council for approval the cash limited budgets for each Service with overall net expenditure for 22/23 of £211.4M as highlighted in **Section 6a**.
- j) to consider the budgets for all services and approve, for submission into Council, the 22/23 – 24/25 budget proposals presented at **Sections 6a – 6c**, subject to Cabinet receiving detailed implementation reports where appropriate.
- k) to consider and approve the changes to the schools funding formula including the transfer of funding from the schools block to the high needs block and approve the proposed 22/23 schools block budget as set out at **Section 6d**.
- l) that the capital investment schemes totalling £56.2M (Section 7 Appendix 1), be included within the capital programme and released subject to receiving further detailed business cases where appropriate.
- m) to note the capital investment proposals of £310.8M (Section 7 Appendix 2) which are currently the subject of live external funding bids / specific Government announcements and thereafter to receive regular updates on their progress.

- n) that further detailed feasibility work / business case development be carried out on the capital investment proposals totalling £58.6M at (Section 7 Appendix 3)
- o) that the Chief Executive and SMT, in consultation with Cabinet Spokespersons, be required to submit reports into Cabinet, as a matter of urgency, in relation to the detailed General Fund Revenue Budget for 22/23 on any further action required to achieve an appropriately balanced budget in addition to those proposals set out above.
- p) that the Chief Executive and SMT be responsible for managing their respective budgets including ensuring the implementation of all approved saving proposals.
- q) that the Authority's SMT be charged with ensuring that the budget remains in balance and report regularly into Cabinet on budget / savings monitoring including any action required.
- r) that Cabinet and the Section 151 Officer be authorised to make any necessary technical adjustments to form the 22/23 budget.
- s) that appropriate consultation on the budget proposals takes place with the Trade Unions and representatives of Non-Domestic Ratepayers and that the views of consultees be considered by Cabinet and the Council.
- t) that the budget papers be submitted for the consideration of the full Council.

2. Council Tax 2022/23

RECOMMENDED TO COUNCIL:-

That Council note the contents of **Section 3a** (22/23 Council Tax options) and that:

- (i) in respect of the Council Tax 2022/23 calculations:
 - (a) that the Council Tax Collection Fund surplus relating to Barnsley M.B.C. of £3.200M be used to reduce the Council Tax Requirement for 2022/23;
 - (b) that the Band D Council Tax for Barnsley M.B.C.'s services be set at £1,641.55 which includes the cumulative special precept earmarked specifically for Adult Social Care of £189.98; and
 - (c) that the Band D Council Tax for Barnsley M.B.C.'s area be set at £1942.18 including the Police and Fire precepts* as set out in (ii)(c).
- (ii) that, in respect of the Council Tax 2022/23 declaration:
 - (a) that it be noted that at its meeting of its Cabinet on the 12th January 2022 the Council made the following calculations for the year 2022/23 in accordance with Regulations made under Section 31(B) of the Local Government Finance Act 1992 as amended (the "Act"):-

- (1) in accordance with Section 31B (3) of the Local Government Act 1992, as amended, the number of adjusted Band D equivalent properties calculated by the Council as its Council Tax base for the year shall be 66,584.65 (Item T in the formula in Section 31B (1) of the Act);
- (2) that the number of adjusted Band D equivalent properties calculated by the Council, as the amounts of its Council Tax base for the year for dwellings in those parts of its area to which one or more special items relate shall be as follows:-

206. Assessment of Bus Franchising Option for South Yorkshire (Cab.23.2.2022/6)

Moved by Councillor Lamb – Seconded by Councillor McCarthy; and

RESOLVED:

- (i) that the proposal for the South Yorkshire Mayoral Combined Authority (SYMCA) to issue the notice of intention to prepare a formal Assessment of a proposed franchising scheme in accordance with S.123C of the Transport Act 2000 be supported;
- (ii) that the Council request to be granted formal opportunity by SYMCA to influence and shape what the assessment considers, either specifically within the prescribed requirements or have “other matters” included;
- (iii) That the Council reserves the right to formally withdraw from the process at any stage if appropriate funding solutions cannot be found; and
- (iv) that, in parallel, SYMCA be requested to carry out a detailed projected cost of the current Bus Partnership model over a three and five year period to help facilitate side-by-side comparisons with future franchise costs.
