Dear whom it may concern,

I hereby object to the above application and these are my reasons.

1. I occupy the property joined on to the above address, has you should be aware that this is a shared access between my self and the neighboring property.

2. my son who is 8 plays outside on the trampoline, meaning that he wouldn't be able to this and i wouldn't safe him been outside when there's grown adults drinking alcohol in the back where he would be playing, he is also autistic meaning that loud noises he cannot cope with.

3 .It would bring the wrong crowds to the area, we already have issues with the youths in Cudworth has of congregating, drinking in the back of the property and doing other illegal things they shouldn't be doing. Trying to make residents feel intimidated has it is, it would also feel intimidatingly walking through the share communal area to get to my back door when they would be drunks there been very loud and rowdy.

4 . I want to feel safe going in and out of my gate, and unfortunately this wouldn't be the case.

5. Loud music would cause so much disruption not only for us but the other residents joined on to my self .

Although i think his ideas are great ,unfortunately there not for a little village in Cudworth maybe in a town or city Centre .

So on this occasion I'm really sorry but this is my objection and i think i have good grounds to object this.

yours faithfully
