Hi Georgina,  
Apologies for the delay in responding I have been in meetings all day.  
Just for clarification, the garage round the back is to be a seated restaurant only and he has offered  
to put his times back for live music to 11pm in addition to the altered times confirmed below.  
I am on annual leave tomorrow but I will pick up any response on Monday and come back to  
accordingly if you need anything further,  
Thanks very much,  
Debbie

Morning Debbie

After reading this my Objection will still remain as he's gone back to his original plans as I thought he  
would and I already said this to you that he would once granted the planing .This indicates to me  
that he wasn't really going to change anything just tried to mislead us in withdrawing our

objectives saying he would do shorter hours and no take away round the back so he could get the licensing and planning approved so on that note my objection remains on my original objection email sent in . Clearly his intentions was to never really change or adapt which shows me his isn't concerned or cares about the neighboring residence at all . A take away round the backs of the shops would be cause a lot of is issues with gangs as it is out of site of the Main Street and like mentioned before we haven't the police foot patrol anymore .

Kind regards Georgina Ellison

Good morning Georgina,

Please see the response from the applicant in relation to your request to close the premises at 11pm. I am in meetings for the majority of today but if you have any further questions or would like to discuss this further please drop me a message and I will ring you back asap,

***“Having given some thought to the request you came to me with earlier I would like to propose the following.***

***Williams (Main Building) opening hours to remain as applied for, although having done a few checks over the last few weekends I don't see us being open until 1am on a weekend if I'm honest.***

***Lifes a burger (Garage to the rear) - License to remain as applied for however I will change the opening hours to close at 11:30pm on a weekend, unless we have a private birthday or something in, in which case we would make use of our permitted license hours”.***

Thanks,  
Debbie
