

Cudworth Family Centre Consultation

1. Do you support the proposal of relocating the Cudworth Family Centre to Cudworth IKIC building?

If no, what do you feel are the barriers? (1)				
1	19/12/2021	As a resident, already there is the proposal for parking restrictions and we are being told that we will not be able to park outside our own home. There is no parking at the IKIC building . It may be that attendees are told to use Dorothy Hyman car park, however football and athletics attendees are told to do this and they don't as it requires walking further. I am concerned that it will just increase traffic and inconsiderate parking for local residents.		

2. Are the other current or proposed community venues easier for you to access (e.g. Cudworth Library, Crown Estate Community Centre or other venues)?

1	Open-Ended Question	100.00%	10
1	17/12/2021 I've always thought the current site is really far out especially in winter the dorothy hyman is well known and more central to families in cudworth. its many years since i attended because my kids are older now but would love to access after school times and hyman is nearer to my house		
2	30/12/2021 A centre is desperately needed in Cudworth and more availability for groups of all ages at the site		
3	30/12/2021 Sounds a good idea		
4	06/01/2022 Families who live at the top don't access		
5	06/01/2022 None		
6	06/01/2022 No		
7	14/01/2022 Birkwood school isn't a prime location for cudworth the new. Site is much more central		
8	14/01/2022 Please support full-time working parents more. A lot of the activities are free or filled with children who's parents are sat at home. Equal eligibility for kids regardless of whether their parents are working or not. Every child is equal		
9	17/01/2022 More Groups		
10	17/01/2022 More activities in area for 3 yr+
