To present, for Cabinet's consideration, the latest Annual Report of the Corporate Parenting Panel (*Please see Appendix*).

Council Plan priority

The terms of reference of the Corporate Parenting Panel, together with the role of elected members as corporate parent to both children and young people in care, as well as those leaving care, support the following priorities:

- ***Healthy Barnsley*** – By ensuring this group of children and young people are protected from harm and are enabled to live independently and maintain their wellbeing thereby reducing inequality in both health and income
- ***Learning Barnsley*** – Children and young people are enabled to achieve the best range of outcomes through improved educational achievement.

Recommendations

That Cabinet notes the progress and achievements made by the Panel in supporting children and young people in care, together with care leavers, in accordance with our statutory responsibilities, during this period.

1.0 INTRODUCTION

- 1.1 Both the Children Act (2004) and the Children (Leaving Care) Act (2000) continue to place a statutory duty upon the Council to protect children from suffering significant harm and to provide continued financial and transitional support for care leavers aged up to 25.
- 1.2 More recently, Part 1 of the Children and Social Work Act (2017) and the publication of subsequent statutory guidance, requires the Council to give due regard to act in the best interests of and to secure the best outcomes for looked after children and care leavers.

2.0 PROPOSAL

2.1 The Corporate Parenting Panel's latest annual report demonstrates its continuing compliance with the responsibilities indicated in Paragraphs 1.1 and 1.2 and the added value which it brings to the experience of children and young people both in and leaving care, particularly in helping them stay safe and healthy; improve their aspirations and prospects as well as enjoy enriching lives in accordance with the Council's 'Pledge' to children in care and the Local 'Offer' to care leavers in the Borough.

2.2 Notably, Sections 2.0 and 3.0 of the enclosed Annual Report outline the role and responsibilities, firstly of the Panel itself and, secondly, of elected members as a corporate parent. Moreover, Section 8 of the Annual Report indicates the progress and achievements made by the Corporate Parenting Panel towards improving the range of outcomes for children in care and care leavers, including on the following, during 2021/22:

- Safeguarding and protection.
- Health and wellbeing.
- Achieving their potential through education.
- Permanence, quality of placements and placement stability.
- Promoting engagement, participation and inclusion.

In addition, the Annex to the Annual Report outlines the Panel's priorities looking forward into 2022/23: The role of the Corporate Parenting Panel has ensured that all children in need of care in any part of Barnsley, together with those from other areas who are placed in the Borough, receive the help and support which they require in order to stay safe and healthy, gain a good education and to lead rewarding lives.

2.3 During a period in which social distancing, self-isolation and restrictions upon the public's movement could, potentially, have seriously impacted upon provision, the Council and its partners have continued to ensure that the whole range of our statutory responsibilities are fully met and that no children in care or care leavers were exposed to a greater risk of harm as a result of any lockdown or restrictions

The Year-end Q4 corporate finance report outlines the increased cost pressures in 2021/22 in safeguarding vulnerable children and young people and meeting the placement needs of children in care and care leavers.

3.4 Additional investment / resources £4M have been provided for children social care in 2022/23 to address increase service demands and activity, particularly in relation to increased social workers (to address rises in caseloads) and rise in looked after children numbers and placement costs.

Further, in a follow-up visit to the local Test of Assurance undertaken by the Government's National Implementation Advisor for Care Leavers in 2018, Barnsley was cited as an exemplar for good corporate parenting in their first annual report.
