2. Application to Vary a Premises Licence - Darfield Supersave, 2 Garden Street, Darfield, Barnsley

The Sub Committee considered a report on an application to vary a premises licence for Darfield Supersave, 2 Garden Street, Darfield, Barnsley.

After consideration of all the evidence presented and having listened to the representations made by all parties, the Sub Committee determined that the variation to the current licence be granted on the following grounds, together with additional conditions:-

- (i) The Sub Committee were satisfied that the actions and additional conditions proposed by the applicant would be sufficient to meet the four licensing objectives, and which will be marked on the premises licence as additional conditions.
- (ii) The Sub Committee noted that following the failed test purchase on 22 October 2022, the member of staff concerned had been issued with a fixed penalty, had paid the fixed penalty and was subsequently dismissed by the license holder in November 2022.
- (iii) The Sub Committee noted that the inspection held on 22 December 2022 did not raise any issues of concern.
- (iv) The Sub Committee did not have any weight to the petition that had been submitted by the applicant based on the fact that it was submitted outside of the consultation period and the signatures and comments could not be verified.

The decision of the Sub Committee was unanimous.
